Payment Voucher for Corporations and Exempt Organizations e-filed Returns

What's New

Extend the Time for Payment of Taxes for Corporations Expecting a Net Operating Loss Carryback

A corporation or an exempt organization that expects a net operating loss (NOL) in the 2016 taxable year, can file form FTB 3593, Extension of Time for Payment of Taxes by a Corporation Expecting a Net Operating Loss Carryback, to extend the time for payment of taxes for the immediately preceding 2015 taxable year. This includes extending the time for payment of a tax deficiency. The payment of tax that can be postponed cannot exceed the expected overpayment from the carryback of the NOL. For more information, get form FTB 3593.

General Information

Use form FTB 3586, Payment Voucher for Corporations and Exempt Organizations e-filed Returns, to pay the tax due only if the corporation or exempt organization meets all of the following:

- Files its tax return electronically
- Has a balance due
- Remits payment with a check or money order
- Is not required to remit payment electronically

If a limited liability company (LLC) elects to be taxed as a corporation for federal tax purposes, the LLC must file form FTB 3586 and enter the California corporation number, Federal employer identification number (FEIN), and California Secretary of State (CA SOS) file number, if applicable, in the space provided. The Franchise Tax Board (FTB) will (1) assign an identification number to an LLC that files as a corporation, and (2) notify the LLC with the identification number upon receipt of the first estimated tax payment, first tax

payment, or the first tax return. The LLC will be subject to the applicable provisions of the Corporation Tax Law and should be considered a corporation for purpose of all instructions unless otherwise indicated.

Private Mail Box (PMB) – Include the PMB in the address field. Write "PMB" first, then the box number. Example: 111 Main Street PMB 123.

Electronic Payment

Electronic Funds Transfer (EFT)

Corporations or exempt organizations remitting an estimated tax payment or extension payment in excess of \$20,000 or having a total tax liability in excess of \$80,000 must remit all payments through EFT. Once a corporation or exempt organization meets the threshold, all subsequent payments regardless of amount, tax type, or taxable year must be remitted electronically to avoid a 10% non-compliance penalty. The first payment that would trigger the mandatory EFT requirement does not have to be made electronically. The FTB notifies corporations or exempt organizations that are subject to this requirement. Those that do not meet these requirements may participate on a voluntary basis. For more information go to ftb.ca.gov and search for **eft** or call 916.845.4025.

Corporations or exempt organizations required to remit payments electronically may use Web Pay or a credit card and be considered in compliance with that requirement. Corporations or exempt organizations can make payments online using Web Pay for Businesses. Go to ftb.ca.gov for more information. To pay by credit card, go to officialpayments.com. Official Payments Corp. charges a convenience fee for using this service.

If the corporation or exempt organization pays by EFT, Web Pay, or credit card, **do not** mail the payment voucher.

Penalties and Interest

If the corporation or exempt organization fails to pay its total tax liability by the original due date, the corporation or exempt organization will incur a late payment penalty plus interest. The FTB may waive the late payment penalty based on reasonable cause. Reasonable cause is presumed when 90% of the tax shown on the return, but not less than minimum franchise tax if applicable, is paid by the original due date of the return. However, the imposition of interest is mandatory.

If the corporation or exempt organization does not file its California tax return by the extended due date, or the corporation's powers, rights, and privileges have been suspended or forfeited by the FTB or the CA SOS as of the original due date, the automatic extension will not apply and a delinquency penalty plus interest will be assessed from the original due date of the California tax return.

If the corporation or exempt organization is required to remit all of its payments electronically and pays by another method, a 10% non-compliance penalty will be assessed.
