# **Use Tax**

## Line 25 – Use Tax

You may owe use tax if you make purchases from out-of-state retailers (for example, purchases made by telephone, online, by mail, or in person) where sales or use tax was not paid and you use those items in California. If you have questions about whether a purchase is taxable, go to the Board of Equalization's website at boe.ca.gov, or call its Customer Service Center at 1.800.400.7115 or (TTY) 711 (for hearing and speech disabilities).

Some taxpayers are required to report business purchases subject to use tax directly to the Board of Equalization. However, they may report certain personal purchases subject to use tax on the FTB income tax return.

You may not report business purchases subject to use tax on your income tax return if you:

- Have or are required to hold a California seller's permit.
- Receive \$100,000 or more per year in gross receipts from business operations.

• Are otherwise registered or required to be registered with the Board of Equalization to report use tax.

**Note:** You may not report use tax on your income tax return for certain types of transactions. These types of transactions are described in detail below in the instructions.

The Use Tax Worksheet and Estimated Use Tax Lookup Table will help you determine how much use tax to report. If you owe use tax but you do not report it on your income tax return, you must report and pay the tax to the Board of Equalization. For information on how to report use tax directly to the Board of Equalization, go to their website at **boe.ca.gov** and click on **Find Information About Use Tax** under the heading **How Do I**.

Failure to report and pay timely may result in the assessment of interest, penalties, and fees.

See page 15 for a general explanation of California use tax.

#### **Use Tax Worksheet**

You must use the Use Tax Worksheet to calculate your use tax liability, if any of these apply:

- You prefer to calculate the amount of use tax due based upon your actual purchases subject to use tax, rather than based on an estimate.
- You owe use tax on any item purchased for use in a trade or business and you are not registered or required to be registered with the Board of Equalization to report sales or use tax.
- You owe use tax on purchases of individual items with a purchase price of \$1,000 or more each.

**Example 1:** You purchased a television for \$2,000 from an out-of-state retailer that did not collect tax. You must use the Use Tax Worksheet to calculate the tax due on the price of the television, since the price of the television is \$1,000 or more.

**Example 2:** You purchased a computer monitor for \$300, a rare coin for \$500, and designer clothing for \$250 from out-of-state retailers that did not collect tax. Although the total price of all the items is \$1,050, the price of each item is less than \$1,000. Since none of these individual items are \$1,000 or more, you are not required to use the Use Tax Worksheet and may choose to use the Estimated Use Tax Lookup Table.

If you have a combination of individual non-business items purchased for \$1,000 or more each, and/or items purchased for use in a trade or business in addition to individual, non-business items purchased for less than \$1,000, you may either:

- Use the Use Tax Worksheet to compute use tax due on all purchases, or
- Use the Use Tax Worksheet to compute use tax due on all individual items purchased for \$1,000 or more plus all items purchased for use in a trade or business. Use the Estimated Use Tax Lookup Table to estimate the use tax due on individual, non-business items purchased for less than \$1,000, then add the amounts and report the total use tax on Line 25.

**Example 3:** The total price of the items you purchased from out-of-state retailers that did not collect use tax is \$2,300, which includes a \$1,000 television, a \$900 painting, and a \$400 table for your living room.

- You may choose to calculate the use tax due on the total price of \$2,300 using the Use Tax Worksheet, or
- You may choose to calculate the use tax due on the \$1,000 price of the television using the Use Tax Worksheet and estimate your use tax liability for the painting and table by using the Estimated Use Tax Lookup Table, then add the amounts and report the total use tax on line 25.

	Use Tax Worksheet (See Instructions Below.) Use whole dollars only.	
1.	Enter purchases from out-of-state sellers made without payment of California sales/use tax. If you choose to estimate the use tax due on individual, non-business items purchased for less than \$1,000 each, only enter purchases of items with a purchase price of \$1,000 or more plus items

#### Worksheet, Line 1, Purchases Subject to Use Tax

Report purchases of items that would have been subject to sales tax if purchased from a California retailer unless your receipt shows that California tax was paid directly to the retailer. For example, generally, you would include purchases of clothing, but not exempt purchases of food products or prescription medicine. For more information on nontaxable and exempt purchases, you may visit the Board of Equalization's website at **boe.ca.gov**.

- Include handling charges.
- Do not include any other state's sales or use tax paid on the purchases.
- Enter only purchases made during the year that corresponds with the tax return you are filing.
- If you traveled to a foreign country and hand-carried items back to California, generally use tax is due on the purchase price of the goods you listed on your U.S. Customs Declaration less an \$800 per-person exemption. For the hand carried items, you should report the amount of purchases in excess of the \$800 per-person exemption. This \$800 exemption does not apply to goods sent or shipped to California by mail or other common carrier. For goods sent or shipped, you should report the entire amount of the purchases.
- If your filing status is "married/RDP filing separately," you may elect to report one-half of the use tax due or the entire amount on your income tax return. If you elect to report one-half, your spouse/RDP may report the remaining half on his or her income tax return or on the individual use tax return available from the Board of Equalization.

**Note:** You cannot report the following types of purchases on your income tax return.

- Vehicles, vessels, and trailers that must be registered with the Department of Motor Vehicles.
- Mobile homes or commercial coaches that must be registered annually as required by the Health and Safety Code.
- Vessels documented with the U.S. Coast Guard.
- Aircraft.

#### CalFile - California's free, fast, easy, and secure e-file option

- Rental receipts from leasing machinery, equipment, vehicles, and other tangible personal property to your customers.
- Cigarettes and tobacco products when the purchaser is registered with the Board of Equalization as a cigarette and/or tobacco products consumer.

#### Worksheet, Line 2, Sales and Use Tax Rate

Enter the sales and use tax rate applicable to the place in California where the property was used, stored, consumed, or given away. To find your sales and use tax rate using your computer or mobile device, please go to the Board of Equalization's website at **boe.ca.gov**. Look under the heading, **Popular Topics**, then click on **City and County Sales and Use Tax Rates**. You may also call their Customer Service Center at 800.400.7115 or (TTY) 711 (for hearing and speech disabilities).

#### Worksheet, Line 6, Credit for Tax Paid to Another State

This is a credit for tax paid to other states on purchases reported on Line 1. You can claim a credit up to the amount of tax that would have been due if the purchase had been made in California. For example, if you paid \$8.00 sales tax to another state for a purchase, and would have paid \$6.00 in California, you can claim a credit of only \$6.00 for that purchase.

#### **Estimated Use Tax Lookup Table**

You may use the Estimated Use Tax Lookup Table to estimate and report the use tax due on individual non-business items you purchased for less than \$1,000 each. This option is only available if you are permitted to report use tax on your income tax return and you are not required to use the Use Tax Worksheet to calculate the use tax owed on all your purchases. Simply include the use tax liability that corresponds to your California Adjusted Gross Income (found on Line 16) and enter it on Line 25. You will not be assessed additional use tax on the individual non-business items you purchased for less than \$1,000 each.

You may not use the Estimated Use Tax Lookup Table to estimate and report the use tax due on purchases of items for use in your business or on purchases of individual non-business items you purchased for \$1,000 or more each. See the instructions for the Use Tax Worksheet if you have a combination of purchases of individual non-business items for less than \$1,000 each and purchases of individual non-business items for \$1,000 or more.

Enter your use tax liability on Line 4 of the worksheet, or if you are not required to use the worksheet, enter the amount on Line 25 of your income tax return.

## Line 29 – Tax Due

If the amount on line 26 is less than the amount on line 21, subtract the amount on line 26 from the amount on line 21. Enter the result on line 29. Your tax is more than your credits and withholdings.

Increasing your withholding could eliminate the need to make a large payment with your tax return. To increase your withholding, complete EDD Form DE 4, Employee's Withholding Allowance Certificate, and give it to your employer's appropriate payroll staff. You can get this form from your employer or by calling the EDD at **888.745.3886**. You can download the DE 4 at **edd.ca.gov** or go to **ftb.ca.gov** and search for **de 4**. If you did not pay enough through withholding, you may have an underpayment penalty. The FTB will figure the underpayment penalty for you.

# Line 30 – Voluntary Contributions

You can make voluntary contributions to the funds listed on Form 540 2EZ, Side 3. See "Voluntary Contribution Fund Descriptions" for more information.

You may also contribute any amount to the **State Parks Protection Fund/Parks Pass Purchase**. To receive a single annual park pass, your contribution must equal or exceed \$195. When applicable, FTB will forward your name and address from your tax return to the Department of Parks and Recreation (DPR) who will issue a single Vehicle Day Use Annual Pass to you. Only one pass will be provided per tax return. You may contact DPR directly to purchase additional passes. If there is an error on your tax return in the computation of total contributions or if we disallow the contribution you requested because there is no credit available for the tax year, your name and address will not be forwarded to DPR. Any contribution less than \$195 will be treated as a voluntary contribution and may be deducted as a charitable contribution. For more information go to **parks.ca.gov/annualpass/** or email **info@parks.ca.gov**.

## Line 31 – Amount You Owe

If you do not have an amount on line 28, add the amount on line 27, line 29, and line 30. Enter the result on line 31.

If you have an amount on line 28 and the amount on line 30 is more than line 28, subtract line 28 from line 30. Enter the difference on line 31.

## **Paying Your Taxes**

You must pay 100% of the amount you owe by April 18, 2017, to avoid interest and underpayment penalties. However, the underpayment penalty will be waived if 90% of the tax shown on the tax return is paid by the original due date of the tax return. There are several ways to pay your tax:

- Electronic funds withdrawal (e-file only)
- Pay online/Web Pay
- Credit card
- Check or money order
- Monthly installments

# **Electronic Funds Withdrawal**

If you CalFile or e-file, instead of paying by check, you can use this convenient option. Simply provide your bank information, the amount you want to pay, and the date you want the amount to be withdrawn from your account. You can find the routing and account numbers on your check or by contacting your financial institution. Use the check illustration on the next page to find your bank information. Your tax preparation software will offer this option.

# Web Pay

Enjoy the convenience of online payment with the FTB. This secure service lets you pay the current amount you owe, extension payments, estimated tax payments, and prior year balances. For more information go to **ftb.ca.gov** and search for **web pay**.

## **Credit Card**

Use your Discover, MasterCard, American Express, or Visa card to pay your personal income taxes (including tax return balance due, extension payments, estimated tax payments, and prior year balances). The FTB has partnered with Official Payments Corp. to offer you this service. Official Payments Corp. charges a convenience fee based on the amount of your payment.

Go to the Official Payments Corp. online payment center at **officialpayments.com** or call 800.2PAY.TAX or 800.272.9829 and follow the recorded instructions. Official Payments Corp. provides customer assistance at 877.297.7457 Monday through Friday, 5 a.m. to 5 p.m. PST.

## Check or Money Order (no cash please)

Using black or blue ink, make your check or money order payable to the "Franchise Tax Board." **Do not send cash or other items of value** (such as stamps, lottery tickets, foreign currency, and gift cards). Write your SSN or ITIN and "2016 Form 540 2EZ" on the check or money order. Enclose, but **do not** staple your check or money order to the tax return.

Make all checks or money orders payable in U.S. dollars and drawn against a U.S. financial institution.

**e-file:** If you e-filed your tax return, mail your check or money order with form FTB 3582, Payment Voucher for Individual e-filed Returns. **Do not** mail a copy of your e-filed tax return.

A penalty may be imposed if your payment is returned by your bank for insufficient funds.

# **Request Monthly Installments**

Pay as much as you can when you file your tax return. If you cannot pay your taxes in full, you can request approval to make monthly payments. However, you will be charged interest and penalties. You will need to complete form FTB 3567, Installment Agreement Request.

To submit your request electronically, go to **ftb.ca.gov** and search for **installment agreement**. To submit your request by mail, go to **ftb.ca.gov** to download and print form FTB 3567 or call 800.338.0505, and follow the recorded instructions. Enter code **949** when instructed. Mail the completed form to the FTB at the address shown on the form.

# Line 32 – Refund or No Amount Due

Did you report an amount on line 30?

No Enter the amount from line 28 on line 32. This is your refund amount. If it is less than \$1, attach a written statement to your Form 540 2EZ requesting the refund.

Yes If the amount on line 30 is:

- Less than the amount on line 28, subtract line 30 from line 28
- and enter the difference on line 32. This is your refund amount.
- More than the amount on line 28, enter zero on line 32.

## **Direct Deposit**

Direct deposit is fast, safe, and convenient. To have your refund directly deposited into your bank account, fill in the account information on Form 540 2EZ, Side 4, line 33 and line 34. Fill in the routing and account numbers and indicate the account type. Verify routing and account numbers with your financial institution. **Do not** attach a voided check or deposit slip. See the illustration on the following page.

An individual taxpayer may request that his or her refund be electronically deposited into more than one checking or savings account. This allows more options for managing your refund. For example, you can request part of your refund go to your checking account to use now and the rest to your savings account to save for later.

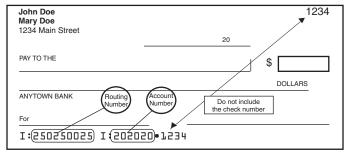

#### Instructions: Form 540 2EZ

The routing number must be nine digits. The first two digits must be 01 through 12 or 21 through 32. On the sample check, the routing number is 250250025. The account number can be up to 17 characters and can include numbers and letters. Include hyphens, but omit spaces and special symbols. On the sample check, the account number is 202020.

Check the appropriate box for the type of account. **Do not** check more than one box for each line.

Enter the portion of your refund you want directly deposited into each account. The total of line 33 and line 34 must equal the total amount of your refund. If line 33 and line 34 do not equal line 32, the FTB will issue a paper check.

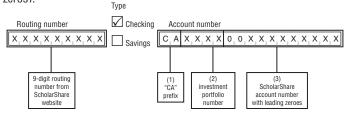

**Caution:** Check with your financial institution to make sure your deposit will be accepted and to get the correct routing and account numbers. The FTB is not responsible for a lost refund due to incorrect account information entered by you or your representative.

Some financial institutions will not allow a joint refund to be deposited to an individual account. If the direct deposit is rejected, the FTB will issue a paper check.

**Direct Deposit for ScholarShare 529 College Savings Plans** – If you have a ScholarShare 529 College Savings Plan account maintained by the ScholarShare Investment Board, you may have your refund directly deposited to your ScholarShare account.

Fill in the routing number, account type, and account number. To obtain the nine-digit routing number, go to **scholarshare.com** or call 800.544.5248. Check "Checking" as type of account. Enter your complete account number that includes (1) the "CA" prefix, (2) your four-digit investment portfolio number, and (3) your ScholarShare account number (for account numbers less than 11 digits, add leading zeros).

## **Sign Your Tax Return**

Sign your tax return on Side 4. If you file a joint tax return, your spouse/RDP must also sign it.

If you file a joint tax return, both you and your spouse/RDP are generally responsible for tax and any interest or penalties due on the tax return. If one spouse/RDP does not pay the tax, the other spouse/RDP may have to. See "Innocent Joint Filer Relief."

Include your preferred phone number and email address in case the FTB needs to contact you regarding your tax return. By providing this information the FTB will be able to provide you better customer service.

### **Paid Preparer's Information**

If you pay a person to prepare your Form 540 2EZ, that person must sign and complete the area at the bottom of Side 4 including an identification number. The IRS requires a paid tax preparer to get and use a preparer tax identification number (PTIN). If the preparer has a federal employer identification number (FEIN), it should be entered only in the space provided. A paid preparer must give you a copy of your tax return to keep for your records.

## **Third Party Designee**

If you want to allow your preparer, a friend, family member, or any other person you choose to discuss your 2016 tax return with the FTB, check the "Yes" box in the signature area of your tax return. Also print the designee's name and telephone number.

If you check the "Yes" box, you, and your spouse/RDP if filing a joint tax return, are authorizing the FTB to call the designee to answer any questions that may arise during the processing of your tax return. You are also authorizing the designee to:

- Give the FTB any information that is missing from your tax return.
- Call the FTB for information about the processing of your tax return or the status of your refund or payments.
- Receive copies of notices or transcripts related to your tax return, upon request.
- Respond to certain FTB notices about math errors, offsets, and return preparation.

You are not authorizing the designee to receive any refund check, bind you to anything (including any additional tax liability), or otherwise represent you before the FTB. If you want to expand or change the designee's authorization, go to **ftb.ca.gov** and search for **poa**.

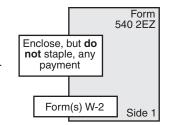

The authorization will automatically end no later than the due date (without regard to extensions) for filing your 2017 tax return. This is April 15, 2018, for most people. To revoke the authorization before it ends, notify us by telephone at 800.852.5711 or in writing at Franchise Tax Board, PO Box 942840, Sacramento CA 94240-0040. Include your name, SSN (or ITIN), and the designee's name.

## **Assembling Your Tax Return**

Assemble your tax return and mail it to the FTB.

To help with our processing costs, enclose, but **do not** staple, your payment. Attach your federal Form(s) W-2 to the lower front of your tax return.

**Do not** enclose a copy of your federal tax return or any other document with your Form 540 2EZ. This will help us reduce government processing and storage costs.

# **Mailing Your Tax Return**

Mail your tax return to the following address if your tax return shows an **amount due:**

## **California Use Tax General Information**

The use tax has been in effect in California since July 1, 1935. It applies to purchases of merchandise for use in California from out-of-state sellers and is similar to the sales tax paid on purchases you make in California. If you have not already paid all use tax due to the Board of Equalization, you may be able to report and pay the use tax due on your state income tax return. See the information below and the instructions for Line 25 of your income tax return.

In general, you must pay California use tax on purchases of merchandise for use in California made from out-of-state sellers, for example, by telephone, over the Internet, by mail, or in person.

You must pay California use tax on taxable items if:

- · The seller does not collect California sales or use tax, and
- You use, gift, store, or consume the item in this state.

Example: You live in California and purchase a dining table from a company in North Carolina. The company ships the table from North Carolina to your home for your use and does not charge California sales or use tax. You owe use tax on the purchase.

However, not all purchases require you to pay use tax. For example, you would include purchases of clothing, but not exempt purchases of food products or prescription medicine. For more information on nontaxable and exempt purchases, you may refer to Publication 61, Sales and Use Taxes: Exemptions and Exclusions, on the Board of Equalization's website at **boe.ca.gov**.

For information about California use tax, please refer to the Board of Equalization's website at **boe.ca.gov**. Under the heading **How Do I**, click on **Find Information About Use Tax**.

**Complete the Use Tax Worksheet or use the Use Tax Lookup Table** on page 10, to calculate the amount due.

**Extensions to File.** If you request an extension to file your income tax return, wait until you file your tax return to report your purchases subject to use tax and make your use tax payment.

**Interest, Penalties and Fees.** Failure to timely report and pay the use tax due may result in the assessment of interest, penalties, and fees.

Application of Payments. For purchases made during taxable years starting on or after January 1, 2015, payments and credits reported on an income tax return will be applied first to the use tax liability, instead of income tax liabilities, penalties, and interest.

**Changes in Use Tax Reported.** Do not file an Amended Income Tax Return (Form 540X) to revise the use tax previously reported. If you have changes to the amount of use tax previously reported on the original return, contact the Board of Equalization.

For assistance with your use tax questions, go to the Board of Equalization's website at **boe.ca.gov** or call their Customer Service Center at 800.400.7115 or (TTY) 711 (for hearing and speech disabilities). For California income tax information, contact the Franchise Tax Board at **ftb.ca.gov**.

Make voluntary contributions of \$1 or more in whole dollar amounts to the funds listed below. To contribute to the California Seniors Special Fund, use the instructions for code 400 below. The amount you contribute either reduces your overpaid tax or increases your tax due. You may contribute only to the funds listed and cannot change the amount you contribute after you file your tax return. For more information, go to **ftb.ca.gov** and search for **voluntary contributions**.

**Code 400, California Seniors Special Fund** – If you and/or your spouse/RDP are 65 years of age or older as of January 1, 2016, and claim the Senior Exemption Credit, you may make a combined total contribution of up to \$222 or \$111 per spouse/RDP. This research includes basic science, diagnosis, treatment, prevention, behavioral problems, and caregiving. With almost 600,000 Californians living with the disease and another 2 million providing care to a loved one with Alzheimer's, our state is in the early stages of a major public health crisis. Your contribution will ensure that Alzheimer's disease receives the attention, research, and resources it deserves. For more information go to **cdph.ca.gov** and search for **Alzheimer**.

The non-profit charitable organization, California Peace Officers' Memorial Foundation, has accepted the privilege and responsibility of maintaining a memorial for fallen officers on the State Capitol grounds. # 2016 Instructions for Form FTB 3519

Payment for Automatic Extension for Individuals

### **General Information**

#### Mandatory Electronic Payments

You are required to remit all your payments electronically once you make an estimate or extension payment exceeding \$20,000 or you file an original tax return with a total tax liability over \$80,000. Once you meet this threshold, all subsequent payments regardless of amount, tax type, or taxable year must be remitted electronically. The first payment that would trigger the mandatory e-pay requirement does not have to be made electronically. Individuals who do not send the payment electronically will be subject to a 1% noncompliance penalty. For more information or to obtain the waiver form, go to ftb.ca.gov and search for mandatory epay. Electronic payments can be made using Web Pay on the Franchise Tax Board's (FTB's) website, electronic funds withdrawal (EFW) as part of the e-file tax return, or your credit card.

Use form FTB 3519, Payment for Automatic Extension for Individuals, **only** if both of the following apply:

You cannot file your 2016 tax return by April 18, 2017. Due to the Emancipation Day holiday on April 17, 2017, tax returns filed and payments mailed or submitted on April 18, 2017, will be considered timely.

Note: Fiscal Year Filers, your tax return is due the 15th day of the 4th month following the close of your fiscal year.

You owe tax for 2016.

2016

When you file your 2016 tax return, you can e-file or CalFile. Go to ftb.ca.gov and search for e-file options. If you use form FTB 3519, you may not file Form 540 2EZ or Short Form 540NR.

Use the worksheet on the next page to determine if you owe tax. If you do not owe tax, do not complete or mail form FTB 3519. However, file your tax return by October 16, 2017. If you owe tax, choose one of the following payment options:

Web Pay: Individuals can make payments online using Web Pay for Individuals. Taxpayers can make an immediate payment or schedule payments up to a year in advance. Go to ftb.ca.gov for more information. Do not mail form FTB 3519 to the FTB.

- Credit Card: Use your major credit card. Call 800.272.9829 or go to official payments.com, use code 1555. Official Payments Corp. charges a convenience fee for using this service. Do not mail form FTB 3519 to the FTB.
- **Check or Money Order:** Using black or blue ink, complete your check or money order and the payment form below and mail both to the "Franchise Tax Board." Make all checks or money orders payable in U.S. dollars and drawn against a U.S. financial institution.

### **Penalties and Interest**

If you fail to pay your total tax liability by April 18, 2017, you will incur a late payment penalty plus interest. We may waive the late payment penalty based on reasonable cause. Reasonable cause is presumed when 90% of the tax is paid by the original due date of the tax return. However, the imposition of interest is mandatory. If, after April 18, 2017, you find that your estimate of tax due was too low, pay the additional tax as soon as possible to avoid or minimize further accumulation of penalties and interest. Pay your additional tax with another form FTB 3519. If you do not file your tax return by October 16, 2017, you will incur a late filing penalty plus interest from the original due date of the tax return. For Fiscal Year Filers, your tax return is due the 15th day of the 10th month following the close of your fiscal year.

### Taxpayers Residing or Traveling Outside the USA

If you are residing or traveling outside the USA on April 18, 2017, the deadline to file your tax return and pay the tax is June 15, 2017. Interest will accrue from the original due date until the date of payment. If you need additional time to file, you will be allowed a six-month extension without filing a request. To qualify for the extension, file your tax return by December 15, 2017. To avoid any late-payment penalties, pay your tax liability by June 15, 2017. When filing your tax return, write "Outside the USA on April 18, 2017" at the top of your tax return in RED INK, or include it according to your software's instructions.

Save the stamp – pay online with Web Pay!

# **2016 Instructions for Form FTB 3514**

**California Earned Income Tax Credit** 

References in these instructions are to the Internal Revenue Code (IRC) as of January 1, 2015, and to the California Revenue and Taxation Code (R&TC).

## **General Information**

In general, for taxable years beginning on or after January 1, 2015, California law conforms to the IRC as of January 1, 2015. However, there are continuing differences between California and federal law. When California conforms to federal tax law changes, we do not always adopt all of the changes made at the federal level. For more information, go to **ftb.ca.gov** and search for **conformity**. Additional information can be found in FTB Pub. 1001, Supplemental Guidelines to California Adjustments, the instructions for California Schedule CA (540 or 540NR), and the Business Entity tax booklets.

The instructions provided with California tax forms are a summary of California tax law and are only intended to aid taxpayers in preparing their state income tax returns. We include information that is most useful to the greatest number of taxpayers in the limited space available. It is not possible to include all requirements of the California Revenue and Taxation Code (R&TC) in the instructions. Taxpayers should not consider the instructions as authoritative law.

For taxable years beginning on or after January 1, 2015, the refundable California Earned Income Tax Credit (EITC) is available to taxpayers who earned wage income in California. This credit is similar to the federal Earned Income Credit (EIC) but with different income limitations. EITC reduces your California tax obligation, or allows a refund if no California tax is due. You may qualify if you have earned income of less than \$14,162. You do not need a child to qualify, but must file a California tax return to claim the credit and attach a completed form FTB 3514.

#### **Registered Domestic Partners (RDPs)**

For purposes of California income tax, references to a spouse, husband, or wife also refer to a California registered domestic partner (RDP), unless otherwise specified. When we use the initials RDP they refer to both a California registered domestic "partner" and a California registered domestic "partner" and a California registered domestic "partnership," as applicable. For more information on RDPs, get FTB Pub. 737, Tax Information for Registered Domestic Partners.

## **A** Purpose

You may qualify to claim the 2016 California EITC if you (and your spouse/RDP) earned wage income in California. You do not need a child to qualify. Use form FTB 3514 to determine whether you qualify to claim the credit, provide information about your qualifying children, if applicable, and to figure the amount of your credit.

## **B** Differences in California and Federal Law

The differences between California and federal law are as follows:

- California allows this credit for wage income earned in California (wages, salaries, tips and other employee compensation) that is subject to California withholding.
- California does not allow the credit for self-employment income.
- If you were a nonresident, you must have earned income from working in California.
- Both your earned income and federal adjusted gross income (AGI) must be less than \$53,505 to qualify for the federal credit, and less than \$14,162 to qualify for the California credit.
- You may elect to include all of your (and/or all of your spouse/RDP's if filing jointly) nontaxable military combat pay in earned income for California purposes, whether or not you elect to include it for federal purposes. Get FTB Pub. 1032, Tax Information for Military Personnel, for special rules that apply to military personnel claiming the EITC.

## **Specific Instructions**

If certain requirements are met, you may claim the EITC even if you do not have a qualifying child. The amount of the credit is greater if you have a qualifying child, and increases with each child that qualifies, up to a maximum of three children. Follow Step 1 through Step 6 below to determine if you qualify for the credit and to figure the amount of the credit.

If your EITC was reduced or disallowed for any reason other than a math or clerical error and you now want to take the EITC then answer yes on line 1b within the form and follow Step 1 through Step 6 below to determine if you qualify for the credit.

Attach the completed form FTB 3514, California Earned Income Tax Credit, to your Form 540 or 540 2EZ, California Resident Income Tax Return; or Long or Short Form 540NR, California Nonresident or Part-Year Resident Income Tax Return, if you claim the California EITC.

## Step 3 Qualifying Child

#### Qualifying Child Definition

A qualifying child for the EITC is a child who meets the following conditions:

- Is your son, daughter, stepchild, foster child, brother, sister, stepbrother, stepsister, half brother, half sister, or a descendant of any of them (for example, your grandchild, niece, or nephew).
- Is under age 19 at the end of 2016 and younger than you (or your spouse/RDP, if filing jointly), or under age 24 at the end of 2016, a student, and younger than you (or your spouse/RDP, if filing jointly), or any age and permanently and totally disabled.
- Is not filing a joint return for 2016 or is filing a joint return for 2016 only to claim a refund of withheld income tax or estimated tax paid. Get federal Publication 596, Earned Income Credit, for examples.
- Lived with you in California for more than half of 2016. If the child did not live with you for the required time, see exceptions in the instructions for line 11.

**Note.** If the child was married or meets the conditions to be a qualifying child of another person (other than your spouse/RDP if filing a joint return), special rules apply. Get federal Publication 596 for more information.

#### **Qualifying Child Questionnaire**

- **a.** Do you have at least one child who meets the conditions to be your qualifying child?
  - Yes Continue.
  - No Go to Step 4.
- **b.** Are you filing a joint return for 2016?
  - Yes Complete form FTB 3514, Part III, line 5 through line 12. Go to Step 5.
  - No Continue.
- c. Could you be a qualifying child of another person for 2016? (Answer "No" if the other person is not required to file, and is not filing, a 2016 tax return or is filing a 2016 return only to claim a refund of withheld income tax or estimated tax paid. Get federal Publication 596 for examples.)
  - Yes Stop here, you cannot take the credit.
  - No Complete form FTB 3514, Part III, line 5 through line 12. Go to Step 5.

#### Line 7 – SSN

The child must have a valid SSN, as defined below, unless the child was born and died in 2016. If your child was born alive and died in 2016 and did not have an SSN, enter "Died" on this line and attach a copy of the child's birth certificate, death certificate, or hospital medical records or include it according to your software's instructions.

**Valid SSN.** For the EITC, a valid SSN is a number issued by the Social Security Administration unless "Not Valid for Employment" is printed on the social security card and the number was issued solely to allow the recipient of the SSN to apply for or receive a federally funded benefit. However, if "Valid for Work Only With DHS Authorization" is printed on the social security card, the SSN is valid for EITC purposes only as long as the DHS authorization is still valid.

An ITIN, Individual Taxpayer Identification Number or ATIN, Adoption Taxpayer Identification Number cannot be used to claim EITC. If you or your child has an ITIN or ATIN and later gets a SSN that is valid for employment, you may be able to file an amended return.

If you did not have an SSN by the due date of your 2016 return (including extensions), you cannot claim the EITC on either your original or an amended 2016 return, even if you later get an SSN. Also, if a child did not have an SSN by the due date of your return (including extensions), you cannot count that child as a qualifying child in figuring the EITC on either your original or an amended 2016 return, even if that child later gets an SSN.

Use Form 540X, Amended Individual Income Tax Return, to correct your return. Get Form 540X at **ftb.ca.gov**.

#### Line 9a – Student

A student is a child who during any part of 5 calendar months of 2016 was enrolled as a full-time student at a school, or took a full-time, on-farm training course given by a school or a state, county, or local government agency. A school includes a technical, trade, or mechanical school. It does not include an on-the-job training course, correspondence school, or school offering courses only through the Internet.

#### Line 9b - Permanently and totally disabled

A person is permanently and totally disabled if, at any time in 2016, the person could not engage in any substantial gainful activity because of a physical or mental condition and a doctor has determined that this condition (a) has lasted or can be expected to last continuously for at least a year, or (b) can be expected to lead to death.

#### Line 10 - Child's relationship to you

For additional information see qualifying child definition.

#### Line 11 – Number of days child lived with you

Enter the number of days the child lived with you in California during 2016. To qualify, the child must have the same principal place of residence in California as you for more than half of 2016, defined as 184 days or more. If the child was born or died in 2016 and your home was the child's home for more than half the time he or she was alive during 2016, enter "366." Do not enter more than 366 days. If the child did not live with you for the required time, temporary absences may count as time lived at home. For more information get federal Publication 596.

#### Line 12 - Child's physical address

Enter the physical address where the child resided during 2016. This should be the address of the principal place of residence in California where the child lived with you for more than half of 2016. If the child lived with you in California for more than half of 2016, but moved within California during this period, this should be the address of the principal place of residence that was shared the longest.

If you elect to include your nontaxable military combat pay in earned income for California EITC purposes, include the amount from federal Form W-2, Wage and Tax Statement, Box 12, Code Q. If you are filing a joint return, both you and/or your spouse/RDP can elect to include your own nontaxable military combat pay for California EITC purposes. Each must include all of their nontaxable military combat pay, not just a portion of it. # **2016 Instructions for Form FTB 3532**

Head of Household Filing Status Schedule

References in these instructions are to the Internal Revenue Code (IRC) as of January 1, 2015, and to the California Revenue and Taxation Code (R&TC).

### **General Information**

In general, for taxable years beginning on or after January 1, 2015, California law conforms to the IRC as of January 1, 2015. However, there are continuing differences between California and federal law. When California conforms to federal tax law changes, we do not always adopt all of the changes made at the federal level. For more information, go to **ftb.ca.gov** and search for **conformity**. Additional information can be found in FTB Pub. 1001, Supplemental Guidelines to California Adjustments, the instructions for California Schedule CA (540 or 540NR), and the Business Entity tax booklets.

The instructions provided with California tax forms are a summary of California tax law and are only intended to aid taxpayers in preparing their state income tax returns. We include information that is most useful to the greatest number of taxpayers in the limited space available. It is not possible to include all requirements of the California Revenue and Taxation Code (R&TC) in the instructions. Taxpayers should not consider the instructions as authoritative law.

For taxable years beginning on or after January 1, 2015, California requires taxpayers who use head of household (HOH) filing status to file form FTB 3532, Head of Household Filing Status Schedule to report how the HOH filing status was determined.

Attach the completed form FTB 3532, to your Form 540, California Resident Income Tax Return, Long or Short Form 540NR, California Nonresident or Part-Year Resident Income Tax Return, or Form 540 2EZ, California Income Tax Return, if you claim head of household filing status.

**Registered Domestic Partners (RDPs)** For purposes of California income tax, references to a spouse, husband, or wife also refer to a California registered domestic partner (RDP), unless otherwise specified. When we use the initials RDP they refer to both a California registered domestic "partner" and a California registered domestic "partnership," as applicable. For more information on RDPs, get FTB Pub. 737, Tax Information for Registered Domestic Partners.

## **A** Purpose

Use form FTB 3532 to report how the HOH filing status was determined.

## **B** Qualifications

You may qualify for HOH filing status if all of the following apply.

- You were unmarried and not an RDP, or met the requirements to be considered unmarried or considered not in a registered domestic partnership on the last day of the year.
- You paid more than one-half the costs of keeping up your home for the year.
- Your home was the main home for you and a qualifying person who lived with you for more than half the year.
- The qualifying person was related to you and met the requirements to be a qualifying child or qualifying relative. (For a qualifying relative see Gross Income.)
- You were entitled to a Dependent Exemption Credit for your qualifying person. However, you do not have to be entitled to a Dependent Exemption Credit for your qualifying child if you were unmarried and not an RDP, and your qualifying child was also unmarried and not an RDP.
- You were not a nonresident alien at any time during the year.
- You paid more than half the cost of a qualifying person's total support.
  Your qualifying person is a citizen or national of the United States, or a resident of the U.S., Canada, or Mexico.

If you, your spouse/RDP, or your qualifying person who lived with you was absent from your home during the year, see the definition for temporary absence in FTB Pub. 1540, California Head of Household Filing Status. If your qualifying person is your father or mother, see the definition for Parent/Stepparent (Father or Mother) in FTB Pub. 1540.

## **Specific Line Instructions**

The law allowing HOH filing status has very specific requirements that the taxpayer must meet. Get FTB Pub. 1540 for more information.

## Part I – Marital Status

### Line 1

To qualify for HOH filing status, you must be either unmarried or considered unmarried on the last day of the year. You are considered unmarried on the last day of the year if you meet all of the following tests.

# Considered Unmarried or Considered Not in a Registered Domestic Partnership

If you were married or an RDP as of the last day of the tax year or if your spouse/RDP died during the tax year, you may be considered unmarried or considered not in a registered domestic partnership for head of household purposes if you meet all of the following requirements:

- Your spouse/RDP did not live in your home at any time during the last six months of the year (see Temporary Absence in FTB Pub. 1540).
- Your qualifying person is your birth child, stepchild, adopted child, or eligible foster child.
- You paid more than one-half the cost of keeping up your home for the year.
- Your home was the main home for you and your birth child, stepchild, adopted child, or eligible foster child for more than half the year.
- You must be entitled to claim a Dependent Exemption Credit for your child; that is, your child must meet the requirements to be either a qualifying child or qualifying relative and meet the joint return and citizenship tests. You cannot claim a Dependent Exemption Credit for your child if you could be claimed as a dependent by another taxpayer. You can still meet this requirement if the only reason you cannot claim a Dependent Exemption Credit for of the following applies, as provided in a decree of divorce, legal separation, or termination of registered domestic partnership, or a written separation agreement that applies to the tax year at issue:
  - The noncustodial parent is entitled to the Dependent Exemption Credit for the child.
  - The custodial parent signed a written statement that he or she will not claim the Dependent Exemption Credit for the child. (The custodial parent may sign federal Form 8332, Release of Claim to Exemption for Child of Divorced or Separated Parents, or a similar statement. The custodial parent can revoke their federal Form 8332 or similar statement by providing written notice to the other parent.) The noncustodial parent must attach a copy of the statement to his or her income tax return.

If either of the above provisions was contained in a pre-1985 decree or agreement, the noncustodial parent must have provided more than \$600 in support for the child during the year.

### Part II – Qualifying Person

### Line 2

For the purposes of HOH filing status, you must have a qualifying person who is related to you to qualify for head of household filing status. Your qualifying person must meet the requirements to be either a qualifying child or qualifying relative. You must also pay more than half the cost of keeping up your home in which you and the qualifying child or qualifying relative lived for more than half the year. You may not claim yourself, or your spouse/RDP as your qualifying person.

### Part III – Qualifying Person Information

### Line 3

Enter the qualifying person's name.

Enter the qualifying person's SSN. Verify that the name and SSN match the qualifying person's social security card to avoid disallowance of your HOH filing status. If the person was born in, and later died in, 2016, and does not have a SSN, enter "Died" and attach a copy of the person's birth and death certificates.

Enter the qualifying person's date of birth (mm/dd/yyyy) in the space provided. Incomplete information could result in a disallowance of your HOH filing status.

Your qualifying child must be under 19 years of age or a full-time student under 24 years of age. The person also meets the age test if he or she is permanently and totally disabled at any time during the calendar year. (If the person does not meet the age test to be a qualifying child, he or she may meet the requirements to be a qualifying relative).

### Line 4

#### **Gross Income**

Your qualifying relative's gross income must be less than the federal exemption amount for the year in question. Generally, gross income for head of household purposes only includes income that is taxable for federal income tax purposes. It does not include nontaxable income such as welfare benefits or the nontaxable portion of social security benefits.

If your qualifying relative was married or an RDP, you must consider the qualifying relative's community interest in the spouse's/RDP's income in applying the gross income test. For the federal allowable exemption amount, see the federal instruction booklet for that particular tax year. For more information, go to **irs.gov** and search for **17** to find Publication 17, Your Federal Income Tax For Individuals.

### Line 5

#### More Than Half the Year

Just because someone lived with you for six months does not mean that the person lived with you for more than half the year. A year has 365 days, and more than half the year is 183 days. (A leap year has 366 days, and more than half a leap year is 184 days.)

To determine how many days your home was your qualifying person's main home follow these guidelines:

- If you were not married and not an RDP at any time during the year, count all of the days that your qualifying person lived with you in your home.
- If you were married or an RDP at any time during the year and received a final decree of divorce, legal separation or your registered domestic partnership was legally terminated by the last day of the year, add together:
  - Half the number of days that you, your spouse/RDP, and your qualifying person lived together in your home.
  - All of the days that you and your qualifying person lived together in your home without your spouse/RDP (ex-spouse/ex-RDP).
- If you were married or an RDP as of the last day of the year, and you did not live with your spouse/RDP at any time during the last six months of the year, add together:
  - Half the number of days that you, your spouse/RDP, and your qualifying person lived together in your home.
  - All of the days that you and your qualifying person lived together in your home without your spouse/RDP.
- If you were married or an RDP as of the last day of the year, and you lived with your spouse/RDP at any time during the last six months of the year, you cannot qualify for the head of household filing status.

When calculating the above, you may include days when your qualifying person was temporarily absent from your home. Temporary absences include vacations, illness, business, school, or military service.
