2016 Instructions for Form 593-I

Real Estate Withholding Installment Sale Acknowledgement

What's New

Penalty Increase - For taxable years beginning on or after January 1, 2016, the penalties related to failure to file information returns have increased. See General Information B, Interest and Penalties, or get FTB Pub. 1150, Withhold at Source Penalty Information, for more information.

General Information

When California real estate is sold on an installment basis, the buyer/transferee is required to withhold on the principal portion of each installment payment, an amount based on either 3¹/₃% (.0333) of the total sales price, or the Optional Gain on Sale withholding amount from Form 593, Real Estate Withholding Tax Statement, line 5. If an exemption applies, no withholding is required. There is no withholding on the interest portion of the installment payment.

Real Estate Escrow Person (REEP) – REEP is any person involved in closing the real estate transaction which includes any attorney, escrow company, or title company, or any other person who receives and disburses payment for the sale of real property.

Installment Sales – The withholding agent is required to report the sale or transfer as an installment sale if the transaction is structured as an installment sale as evidenced by a promissory note. The withholding agent is required to withhold 3¹/₃% (.0333) of the first installment payment.

Buyers/Transferees are required to withhold on the principal portion of each subsequent installment payment if the sale of California real property is structured as an installment sale.

Withhold on Installment Sale Elect-out

Method – If the seller/transferor elects not to report the sale on the installment method (Internal Revenue Code Section 453[d]), the seller/transferor must file a California tax return and report the entire sale on Schedule D-1, Sale of Business Property. After filing the tax return and reporting the entire gain, the seller/transferor must submit a written request to the Franchise Tax Board (FTB) to release the buyer/transferee from withholding on the installment sale payments. Once the request is received, the FTB will issue an approval or denial within 30 days.

Registered Domestic Partners (RDP) – For purposes of California income tax, references to a spouse, husband, or wife also refer to a California RDP, unless otherwise specified. When we use the initials RDP they refer to both a California registered domestic “partner” and a California registered domestic “partnership,” as applicable. For more information on RDPs, get FTB Pub. 737, Tax Information for Registered Domestic Partners.

A Purpose

Use Form 593-I, Real Estate Withholding Installment Sale Acknowledgement, to acknowledge the buyer's/transferee's requirement to withhold on the principal portion of each installment payment to the seller/transferor for the sale of California real property. The buyer/transferee is required to withhold at either the rate of 3¹/₃% (.0333) of the total sales price or the Optional Gain on Sale withholding percentage, as specified by the seller/transferor on Form 593. The buyer/transferee provides acknowledgement by signing Part IV.

The withholding agent retains this form for a minimum of five years and must provide it to the FTB upon request.

B Interest and Penalties

Interest will be assessed on late withholding payments and is computed from the due date to the date paid. If the REEP does not notify the buyer/transferee of the withholding requirements in writing, the penalty is the greater of \$500 or 10% of the required withholding.

If after notification, the buyer/transferee or other withholding agent does not withhold, the penalty is the greater of \$500 or 10% of the required withholding.

If the buyer/transferee or other withholding agent does not furnish complete and correct copies of Form 593 to the seller/transferor by the due date, the penalty is \$100 per Form 593. If the failure is due to an intentional disregard of the requirement, the penalty is the greater of \$250 or 10% of the required withholding.

We assess a penalty for failure to file complete, correct, and timely information returns. The penalty is calculated per seller:

- \$30 if filed 1 to 30 days after the due date.
- \$60 if filed 31 days to 6 months after the due date.
- \$100 if filed more than 6 months after the due date.

(R&TC Section 19183)

If the failure is due to an intentional disregard of the requirement, the penalty is the greater of \$250 or 10% of the required withholding.

Penalties referenced in this section will be assessed unless it is shown that the failure to notify, withhold, or timely furnish returns was due to reasonable cause.

Specific Instructions

Private Mail Box (PMB) – Include the PMB in the address field. Write “PMB” first, then the box number. Example: 111 Main Street PMB 123.

Foreign Address – Follow the country's practice for entering, the city, county, province, state, country, and postal code, as applicable, in the appropriate boxes. **Do not** abbreviate the country name.

Buyer/Transferee Instructions

Form 593-I, Parts I, II, III, and IV should only be completed by the buyer/transferee. Forms are updated annually. Make certain that the most current version of the form is being used.

The buyer/transferee must withhold on the principal portion of each installment payment. However, the buyer/transferee may authorize the REEP to withhold on the principal portion of the first installment payment. In this case the buyer/transferee withholds on the principal portion of all subsequent payments (including payoff or balloon payments).

After completing the form, the buyer/transferee should copy all pages to have the instructions for withholding on subsequent payments.

The buyer/transferee will give the original Form 593-I, a copy of the promissory note, the seller's/transferor's Form 593, and Form 593-V, Payment Voucher for Real Estate Withholding, to the REEP. The REEP will mail the documents to the FTB with the withholding on the principal portion of the first installment payment to:

FRANCHISE TAX BOARD
PO BOX 942867
SACRAMENTO CA 94267-0651

When making subsequent installment payments, withhold either 3¹/₃% (.0333) of the total sales price, or the Optional Gain on Sale withholding percentage, as specified by the seller/transferor on Form 593, on the principal portion of each installment payment. The seller's/transferor's signature is not required on each subsequent and completed Form 593. **Do not** include another completed Form 593-I and a copy of the promissory note. Mail each withholding payment with Form 593-V, and use a completed current year Form 593. Use the taxable year Form 593 for which you are sending the withholding payment. Do not use the copy of Form 593 provided to you during escrow.

When the buyer/transferee sends the withholding on the final installment payment, write “Final Installment Payment” on the bottom of Form 593.

For more information on withholding on installment payments, get the instructions for Form 593 or call Withholding Services and Compliance at 888.792.4900 or 916.845.4900.

Part I – Buyer/Transferee

Enter the buyer's/transferee's name as it is shown on the escrow instructions. Each buyer/transferee is required to withhold on individual payments and must complete a separate Form 593-I. However, if the buyers/transferees are spouses/RDPs and both of them will be on the promissory note, then include both names, social security numbers (SSNs) or individual taxpayer identification numbers (ITINs), and signatures on one form. If the buyer/transferee is a business, enter the business name in the business name field.

The buyer's/transferee's identification number (SSN, ITIN, federal employer identification number (FEIN), CA corporation (CA Corp no.), or CA Secretary of State (CA SOS) file number is required on each form to be valid.

Part II – Seller/Transferor

Enter the seller's/transferor's name as it is shown on the escrow instructions. Use a separate Form 593-I for each seller/transferor included on the promissory note. However, if the sellers or transferors are spouses/RDPs and both of them will be on the promissory note, then include both of their names and SSNs or ITINs on one form. If the seller/transferor is a business, enter the business name in the business name field.

The seller's/transferor's identification number (SSN, ITIN, FEIN, CA Corp no., or CA SOS file no.) is required on each form.

If the seller/transferor is electing the Optional Gain on Sale withholding amount, ask the seller/transferor to provide you the installment withholding percentage that the seller/transferor calculated in the instructions for the Form 593. Include this installment withholding percentage in the appropriate box and use this percentage as part of the calculation for withholding on the principal portion of each installment payment.

Enter the address (or parcel number and county) of the California real property sold or transferred.

Part III – Installment Agreement Terms

Promissory Note – Enter the terms of the promissory note and include the principal amount, installment amount, interest rate, and the number of months of the repayment period.

- Withhold on the principal portion of each installment payment.
- Authorize the REEP to withhold the required amount only on the first installment payment.
