California Electronic Funds Withdrawal Payment Signature Authorization for Individuals and Fiduciaries

General Information

A Purpose of Form FTB 8879 (PMT)

Form FTB 8879 (PMT), California Electronic Funds Withdrawal Payment Signature Authorization for Individuals and Fiduciaries, must be completed when an individual or fiduciary e-file EFW payment is being signed using the Practitioner PIN method. By signing this form, the taxpayer, fiduciary or officer representing the fiduciary authorizes the electronic return originator (ERO) to enter the taxpayer or fiduciary's personal identification number (PIN) on his or her 2016 e-filed California EFW payment request. This is a one-time authorization tied to this specific EFW payment request.

Form FTB 8879 (PMT) does not serve as proof of filing – the acknowledgement containing the date of acceptance for the accepted EFW payment request is that proof.

Do not use form FTB 8879 (PMT) if the taxpayer(s) or fiduciary will sign form FTB 8453 (PMT), California Payment for Automatic Extension and Estimate Payment Authorization for Individuals, FTB 8453-FID (PMT) California Payment for Automatic Extension and Estimate Payment Authorization for Fiduciaries or will enter their own PIN and shared secret.

B Practitioner PIN Method

The Practitioner PIN method is an electronic signature option for taxpayers and fiduciaries e-filing their EFW payment request through an ERO. To select this method, both the taxpayer(s) or fiduciary and ERO must sign form FTB 8879 (PMT). When using this method, the taxpayer or fiduciary generally does not need to supply a shared secret with their PIN. The Practitioner PIN method can be used when the taxpayer or fiduciary's shared secret is not known or the taxpayer, fiduciary or officer representing the fiduciary cannot physically enter their PIN on their ERO's computer.

For taxpayers who are married or RDPs filing jointly, it is acceptable for one spouse/RDP to authorize the ERO to enter his or her PIN and the other to choose to enter his or her own PIN. In this scenario, the spouse/RDP entering his or her own PIN must also provide the correct shared secret. It is not acceptable for one spouse/RDP to enter both PINs.

C Taxpayer and Fiduciary Responsibilities

E Banking Information

Using electronic funds withdrawal (EFW) is voluntary and applies only to the EFW payment request you are filing at this time. If you want your payment withdrawn from your account, you must complete the banking information on your EFW payment request before the EFW payment request is transmitted.

Be sure the account information is correct. If the banking information is incorrect, the financial institution should dishonor the payment. Generally, we will not charge a dishonored payment penalty for incorrect payment information. However, we will charge a penalty if your payment is dishonored due to insufficient funds or the account is closed.

To cancel an EFW payment request you must call FTB e-Programs Customer Service at 916.845.0353 at least **two working days** before the date of the withdrawal.
