

2018 Instructions for Form FTB 8453-BE (PMT)

California Payment Authorization for Business Entities

General Information

A Purpose

Form FTB 8453-BE (PMT), California Payment Authorization for Business Entities, is the authorization document for the corporation, limited liability company (LLC), or partnership's e-file extension, estimated tax, annual tax, and estimated fee payments. By signing form FTB 8453-BE (PMT), the business entity and paid preparer declare that the electronic funds withdrawal (EFW) payment request information is true, correct, and complete. Additionally, the signatures authorize the electronic transmission of the EFW payment request to the Franchise Tax Board (FTB) and the execution of any designated electronic account settlement. Form FTB 8453-BE (PMT) is not proof of filing an EFW request. The acknowledgement containing the date of acceptance for the accepted EFW request is that proof.

B Paid Preparer Responsibilities

As an authorized e-file provider, you must:

- Review the business entity's EFW payment request information and banking information on the form FTB 8453-BE (PMT).
- Obtain the business entity or the business entity's representative's signature after you prepare the EFW payment request but before you transmit it.
- Sign form FTB 8453-BE (PMT).
- Provide the business entity or the business entity's representative with a signed original or copy of form FTB 8453-BE (PMT).
- Retain the original or faxed form FTB 8453-BE (PMT) for four years from the date the EFW payment request is accepted.

C Business Entity Responsibilities

Before the business entity's paid preparer can e-file the EFW payment request, the business entity must:

- Verify all information on form FTB 8453-BE (PMT), including California corporation number, California Secretary of State (CA SOS) file number or Federal Employer Identification Number (FEIN) and banking information. Confirm the bank routing and account numbers.
- Sign form FTB 8453-BE (PMT) after the EFW payment request is prepared but before it is transmitted.
- Submit the signed form FTB 8453-BE (PMT) to the paid preparer.

After the business entity's EFW payment request is e-filed, the business entity should retain the form FTB 8453-BE (PMT) (signed original or copy of the form) for the California statute of limitations period.

The California statute of limitations is four years from the date the EFW payment request is accepted.

The general California statute of limitations is the later of four years from the due date of the return or four years from the date the return is filed.

Exception: An extended statute of limitations period may apply if the business entity's California or federal tax returns are related to or subject to a California or federal audit.

Specific Line Instructions

Date of Acceptance

Enter the date the FTB accepts the EFW payment request in the space at the top of form FTB 8453-BE (PMT).

Settle Your Account Electronically

Using EFW is voluntary and applies only to the EFW payment request you are filing at this time. If you want your payment withdrawn from your account, you must complete the banking information on your EFW payment request before the EFW payment request is transmitted.

Be sure the account information is correct. If the banking information is incorrect, the financial institution could dishonor the payment. Generally, we will not charge a dishonored payment penalty for incorrect payment information. However, we will charge a penalty if your payment is

dishonored due to insufficient funds or the account is closed.

Schedule the payment by the due date to avoid a late payment penalty. For more payment options, go to ftb.ca.gov/pay.
