What's New and Other Important Information for 2022

2022 Tax Law Changes/What's New

Filing Status Name Changed – The filing status qualifying widow(er) is now called qualifying surviving spouse/RDP. The rules for the filing status have not changed.

Young Child Tax Credit Expansion – For taxable years beginning on or after January 1, 2022, California expanded the Young Child Tax Credit (YCTC) eligibility to include an eligible individual with a qualifying child who would otherwise have been allowed the California Earned Income Tax Credit (EITC) but that the individual has earned income of zero dollars or less, does not have net losses in excess of \$32,490 in the taxable year, and does not have wages, salaries, tips, and other employee compensation in excess of \$32,490 in the taxable year. For more information, get form FTB 3514, California Earned Income Tax Credit, or go to ftb.ca.gov and search for **yctc**.

Foster Youth Tax Credit – For taxable years beginning on or after January 1, 2022, the refundable Foster Youth Tax Credit (FYTC) is available to an individual and/or spouse/registered domestic partner (RDP) age 18 to 25, who is allowed the California EITC for the taxable year, was in foster care while 13 years of age or older and placed through the California foster care system. The maximum amount of credit allowable for each eligible taxpayer is \$1,083. The credit amount phases out as earned income exceeds the threshold amount of \$25,000, and completely phases out at \$30,000. For more information, see specific line instructions for Form 540 2EZ, California Resident Income Tax Return, line 23c, and get form FTB 3514, California Revenue and Taxation Code (R&TC) Section 17052.2, or go to ftb.ca.gov and search for **fytc**.

Voter Registration Information – For taxable years beginning on or after January 1, 2022, we added a new Voter Registration Information checkbox on the tax return. For voter registration information, check the box on Form 540 2EZ, Side 4 and go to sos.ca.gov/elections for more information. Also, see specific line instructions for Form 540 2EZ, Voter Information section and “Voting is Everybody's Business” under Additional Information section for more information.

Timeliness Penalty Abatement – For taxable years beginning on or after January 1, 2022, an individual taxpayer may elect to request a one-time abatement of a failure-to-file or failure-to-pay timeliness penalty either orally or in writing, if the taxpayer was not previously required to file a California personal income tax return or has not previously been granted abatement under R&TC Section 19132.5, the taxpayer has filed all required returns as of the date of the request for abatement, and the taxpayer has paid, or is in a current arrangement to pay, all tax currently due. For more information, see R&TC Section 19132.5.

Other Important Information

Dependent Exemption Credit with No ID – For taxable years beginning on or after January 1, 2018, taxpayers claiming a dependent exemption credit for a dependent who is ineligible for a Social Security Number (SSN) and a federal Individual Taxpayer Identification Number (ITIN) may provide alternative information to the Franchise Tax Board (FTB) to identify the dependent. To claim the dependent exemption credit, taxpayers complete form FTB 3568, Alternative Identifying Information for the Dependent Exemption Credit.

Expansion for Credits Eligibility – For taxable years beginning on or after January 1, 2020, California expanded the EITC and YCTC eligibility to allow either the federal ITIN or SSN to be used by all eligible individuals, their spouses, and qualifying children. For more information, get form FTB 3514, or go to ftb.ca.gov and search for **eitc**.

Minimum Essential Coverage Individual Mandate – For taxable years beginning on or after January 1, 2020, California law requires residents and their dependents to obtain and maintain minimum essential coverage (MEC), also referred to as qualifying health care coverage. Individuals who fail to maintain qualifying health care coverage for any month during the taxable year will be subject to a penalty unless they qualify for an exemption. For more information, see specific line instructions for Form 540 2EZ, line 27, or get form FTB 3853, Health Coverage Exemptions and Individual Shared Responsibility Penalty.

Young Child Tax Credit – For taxable years beginning on or after January 1, 2019, the refundable YCTC is available to taxpayers who also qualify for the California EITC and who have at least one qualifying child who is younger than six years old as of the last day of the taxable year. For more information, see specific line instructions for Form 540 2EZ, line 23b, and get form FTB 3514, or go to ftb.ca.gov and search for **yctc**.

California Earned Income Tax Credit – For taxable years beginning on or after January 1, 2018, the age limit for an eligible individual without a qualifying child is revised to 18 years or older. For more information, go to ftb.ca.gov and search for **eitc**, or get form FTB 3514. If you have self-employment income, you cannot use Form 540 2EZ. Get Form 540, California Resident Income Tax Return, at ftb.ca.gov/forms or **e-file**.

Federal Earned Income Credit (EIC) – Go to the Internal Revenue Service (IRS) website at irs.gov/taxtopics and choose topic **601**, get the federal income tax booklet, or go to irs.gov and search for **eitc assistant**.

Improper Withholding on Severance Paid to Veterans – The federal Combat-Injured Veterans Tax Fairness Act of 2016 gives veterans who retired from the Armed Forces for medical reasons additional time to claim a refund if they had taxes improperly withheld from their severance pay. If you filed an amended return with the IRS on this issue, you have two years to file your amended California return.

Registered Domestic Partners (RDP) – Under California law, RDPs must file their California income tax return using either the married/RDP filing jointly or married/RDP filing separately filing status. RDPs have the same legal benefits, protections, and responsibilities as married couples unless otherwise specified.

If you entered into a same-sex legal union in another state, other than a marriage, and that union has been determined to be substantially equivalent to a California registered domestic partnership, you are required to file a California income tax return using either the married/RDP filing jointly or married/RDP filing separately filing status.

For purposes of California income tax, references to a spouse, husband, or wife also refer to an RDP, unless otherwise specified. When we use the initials RDP, they refer to both a California registered domestic “partner” and a California registered domestic “partnership,” as applicable. For more information on RDPs, get FTB Pub. 737, Tax Information for Registered Domestic Partners.

Steps to Determine Filing Requirements

Step 1: Is your gross income (all income you received in the form of money, goods, property, and services from all sources that are not exempt from tax) more than the amount shown in the California Gross Income chart below for your filing status, age, and number of dependents? If yes, you have a filing requirement. If no, go to Step 2.

Step 2: Is your adjusted gross income (federal adjusted gross income from all sources reduced or increased by all California income adjustments) more than the amount shown in the California Adjusted Gross Income chart below for your filing status, age, and number of dependents? If yes, you have a filing requirement. If no, you do not have a filing requirement. If you do not have a filing requirement, you must file a tax return to claim your withholding. You may be eligible for the federal Earned Income Credit; see What's New and Other Important Information for more information.

2022 Instructions for Form 540 2EZ

California Resident Income Tax Return

References in these instructions are to the Internal Revenue Code (IRC) as of **January 1, 2015**, and the California Revenue and Taxation Code (R&TC).

Things you need to know before you complete Form 540 2EZ

Determine if you qualify to use Form 540 2EZ. See "Qualifying to Use Form 540 2EZ" in this booklet.

You cannot use Form 540 2EZ if:

- You file a joint tax return and either spouse/RDP was a nonresident in 2022. Use Form 540NR, California Nonresident or Part-Year Resident Income Tax Return. This form is available online at ftb.ca.gov/forms or file online using **e-file**.
- You are married/RDP and file a separate tax return. Get Form 540 online at ftb.ca.gov/forms or file online through **CalFile** or **e-file**.
- You have income from a source outside of California.
- You have income from a source not listed on this form.
- You made estimate payments or have an estimated tax payment transfer from 2021.
- You have real estate or other withholding from Form 592-B, Resident and Nonresident Withholding Tax Statement, or Form 593, Real Estate Withholding Statement.

Note: The lines on Form 540 2EZ are numbered with gaps in the line number sequence. For example, line 14 and line 15 do not appear on Form 540 2EZ, so the line number that follows line 13 on Form 540 2EZ is line 16.

If you need to amend your California resident income tax return, complete an amended Form 540 2EZ and check the box at the top of Form 540 2EZ indicating AMENDED return. Attach Schedule X, California Explanation of Amended Return Changes, to the amended Form 540 2EZ. For specific instructions, see "Instructions for Filing a 2022 Amended Return" in this booklet.

Social security benefits and unemployment compensation may be taxable for federal tax purposes but are **not** taxable for California tax purposes, and are not reported on Form 540 2EZ.

Specific Line Instructions

Additional Information

Use the Additional Information field for "In-Care-Of" name and other supplemental address information only.

Foreign Address

If you have a foreign address, follow the country's practice for entering the city, county, province, state, country, and postal code, as applicable, in the appropriate boxes. **Do not** abbreviate the country name.

Date of Birth (DOB)

Enter your DOB (mm/dd/yyyy) in the spaces provided. If your filing status is married/RDP filing jointly or married/RDP filing separately, enter the DOBs in the same order as the names.

If you filed your 2021 tax return under a different last name, write the last name **only** from the 2021 tax return.

If you do not have an SSN because you are a nonresident or a resident alien for federal tax purposes, and the Internal Revenue Service (IRS) issued you an ITIN, enter the ITIN in the space provided for the SSN.

An ITIN is a tax processing number issued by the IRS to foreign nationals and others who have a federal tax filing requirement and do not qualify for an SSN. The ITIN is a nine-digit number that always starts with the number 9.

Principal Residence

If you are under 18 years old or have not filed a California resident income tax return in the prior year, then leave the county and principal/physical address fields blank.

Only complete this section if you are age 18 or older and you have filed a California resident income tax return in the prior year.

- **County** – Enter the county where you have your principal/physical residence on the date that you file your Form 540 2EZ. If you reside in a foreign country at the time of filing, leave the county field blank.
- If your principal/physical residence address at the time of filing is the same as the address you provided at the top of this form, check the box provided on this line.
- If your principal/physical residence address at the time of filing is different from the address at the top of this form, provide the address of your principal/physical residence in the spaces provided.

Line 1 through Line 5 – Filing Status

Check the box on Form 540 2EZ for the filing status that applies to you.

If your California filing status is different from your federal filing status, check the box above the filing status.

Filing Status Checklist

Choose only one filing status. Your filing status for California must be the same as the filing status you used on your federal income tax return.

Exception:

Registered domestic partners (RDP) who file single for federal must file married/RDP filing jointly or married/RDP filing separately for California. If you are an RDP and file head of household for federal, you may file head of household for California only if you meet the requirements to be considered unmarried or considered not in a registered domestic partnership.

Single

You are single if **any** of the following was true on December 31, 2022:

- You were not married or in an RDP.
- You received a final decree of divorce or legal separation, or your RDP was terminated.
- You were a surviving spouse before January 1, 2022, and did not remarry or enter into another RDP in 2022 (see Qualifying Surviving Spouse/RDP).

Married/RDP Filing Jointly

You may file married/RDP filing jointly if **any** of the following is true:

- You were married/RDP as of December 31, 2022, even if you did not live with your spouse/RDP at the end of 2022.
- Your spouse/RDP died in 2022 and you did not remarry or enter into another RDP in 2022.
- Your spouse/RDP died in 2023 before the 2022 tax return was filed.

A married couple or RDPs may file a joint return even if only one had income or if they did not live together all year. However, both must sign the tax return.

Head of Household

For the specific requirements that must be met to qualify for head of household filing status, get FTB Pub. 1540, Tax Information for Head of Household Filing Status. In general, head of household filing status is for unmarried individuals and certain married individuals or RDPs living apart who provide a home for a specified relative. You may be entitled to use head of household filing status if **all** of the following apply:

- You were unmarried and not in an RDP, or you met the requirements to be considered unmarried or considered not in an RDP on December 31, 2022.
- You paid more than one-half the cost of keeping up your home for the year in 2022.
- For more than half the year, your home was the main home for you and one of the specified relatives who by law can qualify you for head of household filing status.
- The relative who lived with you met the requirements to be a qualifying child or qualifying relative.
- You were not a nonresident alien at any time during the year.

For a child to qualify as your foster child for head of household purposes, the child must be placed with you by an authorized placement agency or by order of a court.

California requires taxpayers who use head of household filing status to file form FTB 3532, Head of Household Filing Status Schedule, to report how the head of household filing status was determined. If you do not attach a completed form FTB 3532 to your tax return, we will deny your Head of Household filing status. For more information about the Head of Household filing requirements, go to ftb.ca.gov and search for **hoh**. To get form FTB 3532, see “Automated Phone Service” or go to ftb.ca.gov/forms.

Qualifying Surviving Spouse/RDP

You are a qualifying surviving spouse/RDP if **all** of the items below apply:

- Your spouse/RDP died in 2020 or 2021, and you did not remarry or enter into another RDP in 2022.
- You have a child, stepchild, or adopted child (not a foster child) whom you can claim as a dependent or could claim as a dependent except that, for 2022:
 - The child had gross income of \$4,400 or more;
 - The child filed a joint return, or
 - You could be claimed as a dependent on someone else’s return.
 If the child isn’t claimed as your dependent, enter the child’s name in the entry space under the “Qualifying surviving spouse/RDP” filing status.
- This child lived in your home for all of 2022. Temporary absences, such as for school, vacation, or medical care, count as time lived in the home.
- You paid over half the cost of keeping up your home for this child.
- You could have filed a joint tax return with your spouse/RDP the year he or she died, even if you actually did not do so.

Enter the year of your spouse’s/RDP’s death on your tax return.

Line 6 – Can you be claimed as a dependent?

If someone else can claim you (or your spouse/RDP) as a dependent on his or her tax return, even if they choose not to, and your total income is less than or equal to the following amounts based on your filing status or you have a dependent, you cannot use Form 540 2EZ. Get Form 540 online at ftb.ca.gov/forms or file online through **CalFile** or **e-file**.

Single	\$17,252
Married/RDP filing jointly or Qualifying surviving spouse/RDP	\$34,554
Head of Household	\$24,454

Note: You cannot use Form 540 2EZ if your total wages are less than the following amounts based on your filing status:

Single	\$ 4,802
Married/RDP filing jointly, head of household, or qualifying surviving spouse/RDP	\$10,004

If you can be claimed as a dependent and can use Form 540 2EZ, check the box on line 6 and follow the instructions on line 17.

Line 7 – Senior

If you (or if married/RDP, your spouse/RDP) are 65 years of age or older, enter 1; if both are 65 years of age or older, enter 2.

If your (or if married/RDP, your spouse’s/RDP’s) 65th birthday is on January 1, 2023, you are considered to be age 65 on December 31, 2022.

Line 8 – Dependents

You must enter the first name, last name, SSN or ITIN, and relationship of each of the dependents you are allowed to claim.

If you claim more than three dependents, get Form 540 online at ftb.ca.gov/forms or file online through **CalFile** or **e-file**.

For taxable years beginning on or after January 1, 2018, taxpayers claiming a dependent exemption credit for a dependent who is ineligible for an SSN and a federal ITIN may provide alternative information to the Franchise Tax Board (FTB) to identify the dependent.

To claim the dependent exemption credit, taxpayers complete form FTB 3568, Alternative Identifying Information for the Dependent Exemption Credit, attach the form and required documentation to their tax return, and write “no id” in the SSN field of line 8, Dependents, on Form 540 2EZ. For each dependent being claimed that does not have an SSN and an ITIN, a form FTB 3568 must be provided along with supporting documentation. If you e-file, attach any requested forms, schedules, and documents according to your software’s instructions.

Taxpayers may amend their tax returns beginning with taxable year 2018 to claim the dependent exemption credit. These taxpayers should complete an amended Form 540 2EZ, write “no id” in the SSN field on the Dependents line, and attach Schedule X. To complete Schedule X, check box m for “Other” on Part II, line 1, and write the explanation “Claim dependent exemption credit with no id and form FTB 3568 is attached” on Part II, line 2. Make sure to attach form FTB 3568 and the required supporting documents in addition to the amended tax return and Schedule X. If taxpayers do not claim the dependent exemption credit on their original 2022 tax return, they may amend their 2022 tax return following the same procedures used to amend their previous year amended tax returns beginning with taxable year 2018. For more information, get FTB Notice 2021-01.

If your dependent child was born and died in 2022 and you do not have an SSN or an ITIN for the child, write “Died” in the SSN field and include a copy of the child’s birth certificate, death certificate, or hospital records. The document must show the child was born alive. If you e-file attach any requested forms, schedules, and documents according to your software’s instructions.

Do you have Child and Dependent Care Expenses? If so, you may qualify for a credit. For more information, get form FTB 3506, Child and Dependent Care Expenses Credit. The easiest way to claim the credit is to **CalFile** or **e-file**. **This credit may not be claimed on Form 540 2EZ.**

Line 9 – Total Wages

Enter the amount from federal Form W-2, Wage and Tax Statement, box 16. If you have more than one federal Form W-2, add all amounts shown in box 16.

Generally, federal Form W-2, box 1 and box 16 should contain the same amounts. If they are different because you had income from a source outside California, you cannot file Form 540 2EZ. Get Form 540 or Form 540NR at ftb.ca.gov/forms or file online through **CalFile** or **e-file**.

Line 10 – Total Interest Income

Enter interest income shown on federal Form 1099-INT, Interest Income, box 1.

Do not include amounts shown on federal Form 1099-INT, box 3, Interest on U.S. Savings Bonds and Treasury Obligations. This interest is not taxed by California.

- Partially taxable distributions from a pension plan.
- Retirement annuity between July 1, 1986, and January 1, 1987, and elected to use the three-year rule for California purposes and annuity rules for federal purposes.

For more information regarding California tax treatment of distributions from pension plans, annuities, or individual retirement arrangements, get FTB Pub. 1005, Pension and Annuity Guidelines. **If you have a federal/state difference in the taxable amount of pension income, you cannot file Form 540 2EZ.** Get Form 540 at ftb.ca.gov/forms or **e-file**.

Line 13 – Total Capital Gain Distributions from Mutual Funds

Generally, the amount of capital gains taxable by California is the same as the amount taxable under federal law. If you received capital gain distributions from a mutual fund, report them on line 13, if both of the following apply:

- You received federal Form 1099-DIV, Dividends and Distributions, with an amount in box 2a.
- The federal Form 1099-DIV does not have amounts in box 2b, 2c, or 2d.

If you entered 1 in the box on line 7, enter \$140. If you entered 2 in the box on line 7, enter \$280.

You cannot claim this exemption credit if someone else can claim you as a dependent on their tax return.

Line 19 – Nonrefundable Renter's Credit

If you were a resident of California and paid rent on property in California which was your principal residence, you may qualify for a credit that you can use to reduce your tax. Answer the questions on the "Nonrefundable Renter's Credit Qualification Record" included in this booklet to see if you qualify.

Line 22 – Total Tax Withheld

Enter the amount from federal Form(s) W-2, box 17, or federal Form 1099-R, Distributions From Pensions, Annuities, Retirement or Profit-Sharing Plans, IRAs, Insurance Contracts, etc., box 14. If you have more than one federal Form W-2, add all amounts shown in box 17. If you have more than one federal Form 1099-R, add all amounts shown in box 14. The FTB verifies all withholding claimed from federal Forms W-2 or 1099-R with the Employment Development Department (EDD).

Line 23a – Earned Income Tax Credit (EITC)

Enter your Earned Income Tax Credit from form FTB 3514, California Earned Income Tax Credit, line 20.

Line 23b – Young Child Tax Credit (YCTC)

Enter your Young Child Tax Credit from form FTB 3514, line 28.

Line 23c – Foster Youth Tax Credit (FYTC)

Enter your Foster Youth Tax Credit from form FTB 3514, line 39.

Use Tax

Line 26 – Use Tax

You are required to enter a number on this line. If the amount due is zero, you must check the applicable box to indicate that you either owe no use tax, or you paid your use tax obligation directly to the California Department of Tax and Fee Administration.

You may owe use tax if you make purchases from out-of-state retailers (for example, purchases made by telephone, online, by mail, or in person) where California sales or use tax was not paid and you use those items in California.

If you have questions about whether a purchase is taxable, go to the California Department of Tax and Fee Administration's website at cdtfa.ca.gov, or call its Customer Service Center at 1.800.400.7115 (CRS:711) (for hearing and speech disabilities).

Some taxpayers are required to report business purchases subject to use tax directly to the California Department of Tax and Fee Administration. However, they may report certain personal purchases subject to use tax on the FTB income tax return.

You may not report business purchases subject to use tax on your income tax return if you:

- Have or are required to hold a California seller's permit.
- Receive \$100,000 or more per year in gross receipts from business operations.
- Are otherwise registered or required to be registered with the California Department of Tax and Fee Administration to report use tax.

Note: You may not report use tax on your income tax return for certain types of transactions. These types of transactions are described in detail below in the instructions.

The Use Tax Worksheet and Estimated Use Tax Lookup Table will help you determine how much use tax to report. If you owe use tax but you do not report it on your income tax return, you must report and pay the tax to the California Department of Tax and Fee Administration. For information on how to report use tax directly to the California Department of Tax and Fee Administration, go to their website at cdtfa.ca.gov and type "Find Information About Use Tax" in the search bar.

Failure to report and pay timely may result in the assessment of interest, penalties, and fees.

See page 13 for a general explanation of California use tax.

Use Tax Worksheet

You must use the Use Tax Worksheet to calculate your use tax liability, if any of these apply:

- You prefer to calculate the amount of use tax due based upon your actual purchases subject to use tax, rather than based on an estimate.
- You owe use tax on any item purchased for use in a trade or business and you are not registered or required to be registered with the California Department of Tax and Fee Administration to report sales or use tax.
- You owe use tax on purchases of individual items with a purchase price of \$1,000 or more each.

Example 1: You purchased a television for \$2,000 from an out-of-state retailer that did not collect tax. You must use the Use Tax Worksheet to calculate the tax due on the price of the television, since the price of the television is \$1,000 or more.

Example 2: You purchased a computer monitor for \$300, a rare coin for \$500, and designer clothing for \$250 from out-of-state retailers that did not collect tax. Although the total price of all the items is \$1,050, the price of each item is less than \$1,000. Since none of these individual items are \$1,000 or more, you are not required to use the Use Tax Worksheet and may choose to use the Estimated Use Tax Lookup Table.

If you have a combination of individual non-business items purchased for \$1,000 or more each, and/or items purchased for use in a trade or business in addition to individual, non-business items purchased for less than \$1,000, you may either:

- Use the Use Tax Worksheet to compute use tax due on all purchases, or
- Use the Use Tax Worksheet to compute use tax due on all individual items purchased for \$1,000 or more plus all items purchased for use in a trade or business.
- Use the Estimated Use Tax Lookup Table to estimate the use tax due on individual, non-business items purchased for less than \$1,000, then add the amounts and report the total use tax on Line 26.

Example 3: The total price of the items you purchased from out-of-state retailers that did not collect use tax is \$2,300, which includes a \$1,000 television, a \$900 painting, and a \$400 table for your living room.

- You may choose to calculate the use tax due on the total price of \$2,300 using the Use Tax Worksheet, or
- You may choose to calculate the use tax due on the \$1,000 price of the television using the Use Tax Worksheet and estimate your use tax liability for the painting and table by using the Estimated Use Tax Lookup Table, then add the amounts and report the total use tax on Line 26.

Use Tax Worksheet (See instructions below)

Use whole dollars only

1. Enter purchases from out-of-state sellers made without payment of California sales/use tax. If you choose to estimate the use tax due on individual, non-business items purchased for less than \$1,000 each, only enter purchases of items with a purchase price of \$1,000 or more plus items purchased for use in a trade or business not registered with the California Department of Tax and Fee Administration. \$ _____ .00
2. Enter the applicable sales and use tax rate. _____
3. Multiply Line 1 by the tax rate on Line 2. Enter result here \$ _____ .00
4. If you choose to estimate the use tax due on individual, non-business items purchased for less than \$1,000 each, enter the use tax amount due from the Estimated Use Tax Lookup Table. If all of your purchases are included in Line 1, enter -0- . . . \$ _____ .00
5. Add Lines 3 and 4. This is your total use tax \$ _____ .00
6. Enter any sales or use tax you paid to another state for purchases included on Line 1. See worksheet instructions below \$ _____ .00
7. Subtract Line 6 from Line 5. This is the total use tax due. Enter the amount due on Line 26. If the amount is less than zero, enter -0- \$ _____ .00

Worksheet, Line 1, Purchases Subject to Use Tax

Report purchases of items that would have been subject to sales tax if purchased from a California retailer unless your receipt shows that California tax was paid directly to the retailer. For example, generally, you would include purchases of clothing, but not exempt purchases of food products or prescription medicine. For more information on nontaxable and exempt purchases, you may visit the California Department of Tax and Fee Administration's website at cdtfa.ca.gov.

- Include handling charges.
- Do not include any other state's sales or use tax paid on the purchases.
- Enter only purchases made during the year that corresponds with the tax return you are filing.
- If you traveled to a foreign country and hand-carried items back to California, generally use tax is due on the purchase price of the goods you listed on your U.S. Customs Declaration less an \$800 per person exemption. For the hand carried items, you should report the amount of purchases in excess of the \$800 per-person exemption. This \$800 exemption does not apply to goods sent or shipped to California by mail or other common carrier. For goods sent or shipped, you should report the entire amount of the purchases.
- If your filing status is "married/RDP filing separately," you may elect to report one-half of the use tax due or the entire amount on your income tax return. If you elect to report one-half, your spouse/RDP may report the remaining half on his or her income tax return or on the individual use tax return available from the California Department of Tax and Fee Administration.

Note: You cannot report the following types of purchases on your income tax return.

- Vehicles, vessels, and trailers that must be registered with the Department of Motor Vehicles.
- Mobile homes or commercial coaches that must be registered annually as required by the Health and Safety Code.
- Vessels documented with the U.S. Coast Guard.
- Aircraft.
- Rental receipts from leasing machinery, equipment, vehicles, and other tangible personal property to your customers.
- Cigarettes and tobacco products when the purchaser is registered with the California Department of Tax and Fee Administration as a cigarette and/or tobacco products consumer.

Worksheet, Line 2, Sales and Use Tax Rate

Enter the sales and use tax rate applicable to the place in California where the property was used, stored, consumed, or given away. To find your sales and use tax rate, please go to the California Department of Tax and Fee Administration's website at cdtfa.ca.gov and type "City and County Sales and Use Tax Rates" in the search bar. You may also call their Customer Service Center at 800.400.7115 (CRS:711) (for hearing and speech disabilities).

Worksheet, Line 6, Credit for Tax Paid to Another State

This is a credit for tax paid to other states on purchases reported on Line 1. You cannot claim a credit for more than the amount of use tax that is imposed on your use of property in this state. For example, if you paid \$8.00 sales tax to another state for a purchase, and would have paid \$6.00 in California, you can claim a credit of only \$6.00 for that purchase.

Estimated Use Tax Lookup Table

You may use the Estimated Use Tax Lookup Table to estimate and report the use tax due on individual non-business items you purchased for less than \$1,000 each. This option is only available if you are permitted to report use tax on your income tax return and you are not required to use the Use Tax Worksheet to calculate the use tax owed on all your purchases. Simply include the use tax liability that corresponds to your California Adjusted Gross Income (found on Line 16) and enter it on Line 26. You will not be assessed additional use tax on the individual non-business items you purchased for less than \$1,000 each.

You may not use the Estimated Use Tax Lookup Table to estimate and report the use tax due on purchases of items for use in your business or on purchases of individual non-business items you purchased for \$1,000 or more each. See the instructions for the Use Tax Worksheet if you have a combination of purchases of individual non-business items for less than \$1,000 each and purchases of individual non-business items for \$1,000 or more.

More than \$199,999 – Multiply AGI by 0.009% (x 0.00009)			

Enter your use tax liability on Line 4 of the worksheet, or if you are not required to use the worksheet, enter the amount on Line 26 of your income tax return.

ISR Penalty

Line 27 – Individual Shared Responsibility (ISR) Penalty

Check the box on Form 540 2EZ, line 27, if you, your spouse/RDP (if filing a joint return), and anyone you can or do claim as a dependent had minimum essential coverage (also referred to as qualifying health care coverage) that covered all of 2022. Medicare Part A or C qualifies as minimum essential coverage. If you check the box on Form 540 2EZ, line 27, you do not owe the individual shared responsibility penalty and do not need to file form FTB 3853, Health Coverage Exemptions and Individual Shared Responsibility Penalty. For more information, get form FTB 3853.

If you and your household did not have full-year health care coverage, then go to form FTB 3853 to determine if you have an individual shared responsibility penalty. Enter your individual shared responsibility penalty from form FTB 3853, Part IV, line 1.

Overpaid Tax/Tax Due

Line 32 – Overpaid Tax

If the amount on line 30 is more than the amount on line 21, your payments and credits are more than your tax. Subtract the amount on line 21 from line 30. Enter the result on line 32.

Refund Intercept – The FTB administers the Interagency Intercept Collection (IIC) program on behalf of the State Controller's Office. The IIC program intercepts (offsets) refunds when individuals and business entities owe delinquent debts to government agencies including the IRS and California colleges. All refunds are subject to interception. The FTB only intercepts the amount owed.

Refunds from joint tax returns may be applied to the debts of the taxpayer or spouse/RDP. After all tax liabilities are paid, any remaining credit will be applied to requested voluntary contributions, if any, and the remainder will be refunded.

If the debt was previously paid to the requestor and the FTB also intercepted the refund, any overpayment will be refunded by the agency that received the funds.

For more information, go to ftb.ca.gov and search for **interagency intercept collection**.

Line 33 – Tax Due

If the amount on line 30 is less than the amount on line 21, subtract the amount on line 30 from the amount on line 21. Enter the result on line 33. Your tax is more than your credits and withholdings.

Increasing your withholding could eliminate the need to make a large payment with your tax return. To increase your withholding, complete EDD Form DE 4, Employee's Withholding Allowance Certificate, and give it to your employer's appropriate payroll staff. You can get this form from your employer or by calling the EDD at **888.745.3886**. You can download the DE 4 at edd.ca.gov or go to ftb.ca.gov and search for **de 4**. If you did not pay enough through withholding, you may have an underpayment penalty. The FTB will figure the underpayment penalty for you.

Contributions

You can make voluntary contributions to the funds listed on Form 540 2EZ, Sides 3 and 4. See "Voluntary Contribution Fund Descriptions" for more information.

You may also contribute any amount to the **State Parks Protection Fund/Parks Pass Purchase**. To receive a single annual park pass, your contribution must equal or exceed \$195. When applicable, the FTB will

Instructions: Form 540 2EZ

forward your name and address from your tax return to the Department of Parks and Recreation (DPR) who will issue a single Vehicle Day Use Annual Pass to you. Only one pass will be provided per tax return. You may contact DPR directly to purchase additional passes. If there is an error on your tax return in the computation of total contributions or if we disallow the contribution you requested because there is no credit available for the tax year, your name and address will **not** be forwarded to DPR. Any contribution less than \$195 will be treated as a voluntary contribution and may be deducted as a charitable contribution. For more information, go to parks.ca.gov/annualpass/ or email info@parks.ca.gov.

Line 34 – Total Contributions

Add amounts in code 400 through code 446. Enter the result on line 34.

Line 35 – Amount You Owe

If you do not have an amount on line 32, add the amount on line 29, line 31, line 33, and line 34. Enter the result on line 35.

If you have an amount on line 32 and the amount on line 34 is more than line 32, subtract line 32 from line 34. Enter the difference on line 35.

Paying Your Taxes

You must pay 100% of the amount you owe by April 18, 2023, to avoid interest and penalties. (When the due date falls on a weekend or holiday, the deadline to file and pay without penalty is extended to the next business day. Due to the federal Emancipation Day holiday observed on April 17, 2023, tax returns filed and payments mailed or submitted on April 18, 2023, will be considered timely.) Notably, effective for tax years beginning on or after January 1, 2022, you may request a one-time abatement of a timeliness penalty if: (1) you were not previously required to file a California personal income tax return or have not previously been granted first-time abatement, (2) you have filed all required returns as of the date of the request for first-time abatement, and (3) you have paid, or are in a current arrangement to pay, all tax currently due. Additionally, the underpayment of estimated tax penalty will be waived if 90% of the tax shown on the tax return is paid by the original due date of the tax return. There are several ways to pay your tax:

- Electronic funds withdrawal (e-file only)
- Pay online/Web Pay
- Credit card
- Check or money order
- Monthly installments

Electronic Funds Withdrawal

If you CalFile or e-file, instead of paying by check, you can use this convenient option. Simply provide your bank information, the amount you want to pay, and the date you want the amount to be withdrawn from your account. You can find the routing and account numbers on your check or by contacting your financial institution. Use the check illustration near the end of the Direct Deposit instructions to find your bank information. Your tax preparation software will offer this option.

Web Pay

Using black or blue ink, make your check or money order payable to the “Franchise Tax Board.” **Do not send cash or other items of value** (such as stamps, lottery tickets, foreign currency, and gift cards). Write your SSN or ITIN and “2022 Form 540 2EZ” on the check or money order. Enclose, but **do not** staple your check or money order to the tax return.

Make all checks or money orders payable in U.S. dollars and drawn against a U.S. financial institution.

e-file: If you e-filed your tax return, mail your check or money order with form FTB 3582, Payment Voucher for Individual e-filed Returns. **Do not** mail a copy of your e-filed tax return.

A penalty may be imposed if your payment is returned by your bank for insufficient funds.

Request Monthly Installments

Pay as much as you can when you file your tax return. If you cannot pay your taxes in full, you can request approval to make monthly payments. However, you will be charged interest and penalties. You will need to complete form FTB 3567, Installment Agreement Request.

To submit your request electronically, go to ftb.ca.gov and search for **installment agreement**. To submit your request by mail, go to ftb.ca.gov/forms to download and print form FTB 3567 or call 800.338.0505, and follow the recorded instructions. Enter code **949** when instructed. Mail the completed form to the FTB at the address shown on the form.

Line 36 – Refund or No Amount Due

Did you report an amount on line 34?

No Enter the amount from line 32 on line 36. This is your refund amount. If it is less than \$1, attach a written statement to your Form 540 2EZ requesting the refund.

Yes If the amount on line 34 is:

- Less than the amount on line 32, subtract line 34 from line 32 and enter the difference on line 36. This is your refund amount.
- More than the amount on line 32, enter zero on line 36.

Direct Deposit

Direct deposit is fast, safe, and convenient. To have your refund directly deposited into your bank account, fill in the account information on Form 540 2EZ, Side 4, line 37 and line 38. Fill in the routing and account numbers and indicate the account type. Verify routing and account numbers with your financial institution. **Do not** attach a voided check or deposit slip. See the illustration near the end of the Direct Deposit instructions.

An individual taxpayer may request that his or her refund be electronically deposited into more than one checking or savings account. This allows more options for managing your refund. For example, you can request part of your refund go to your checking account to use now and the rest to your savings account to save for later.

The routing number must be nine digits. The first two digits must be 01 through 12 or 21 through 32. On the sample check, the routing number is 250250025. The account number can be up to 17 characters and can include numbers and letters. Include hyphens, but omit spaces and special symbols. On the sample check, the account number is 202020.

Check the appropriate box for the type of account. **Do not** check more than one box for each line.

Enter the portion of your refund you want directly deposited into each account. When filing an original return, the total of line 37 and line 38 must equal the total amount of your refund on line 36. If line 37 and line 38 do not equal line 36, the FTB will issue a paper check.

When filing an amended return, only complete the amended Form 540 2EZ through line 36. Next, complete Schedule X. The amount from Schedule X, line 11 is your additional refund amount. This amount will be carried over to your amended Form 540 2EZ and will be entered on line 37 and line 38. The total of the amended Form 540 2EZ, line 37 and line 38 must equal the total amount of your refund on Schedule X, line 11. If the total of the amended Form 540 2EZ, line 37 and line 38 do not equal Schedule X, line 11, the FTB will issue a paper check.

Adjusted Refunds – If there is a change made to your refund, you will still receive your refund via direct deposit. For more information on direct deposit of adjusted refunds, go to ftb.ca.gov and search for **direct deposit**.

Caution: Check with your financial institution to make sure your deposit will be accepted and to get the correct routing and account numbers. The FTB is not responsible for a lost refund due to incorrect account information entered by you or your representative.

Prior to depositing the refund, the FTB may first verify with your financial institution that the name on the account you designated to receive the direct deposit refund matches the name provided on the tax return.

Some financial institutions will not allow a joint refund to be deposited to an individual account. If the direct deposit is rejected, the FTB will issue a paper check.

- You are a United States citizen.
- You are a resident of California.
- You will be 18 years old by the date of the next election.

Sign Your Tax Return

Sign your tax return on Side 5. If you file a joint tax return, your spouse/RDP must also sign it. If you file a joint tax return, both you and your spouse/RDP are generally responsible for tax and any interest or penalties due on the tax return. If one spouse/RDP does not pay the tax, the other spouse/RDP may have to. See “Innocent Joint Filer Relief” under Additional Information section for more information.

Include your preferred phone number and email address in case the FTB needs to contact you regarding your tax return. By providing this information, the FTB will be able to provide you better customer service.

Paid Preparer’s Information

If you pay a person to prepare your Form 540 2EZ, that person must sign and complete the area at the top of Side 5 including an identification number. The IRS requires a paid tax preparer to get and use a preparer tax identification number (PTIN). If the preparer has a federal employer identification number (FEIN), it should be entered only in the space provided. A paid preparer must give you a copy of your tax return to keep for your records.

Third Party Designee

If you want to allow your preparer, a friend, family member, or any other person you choose to discuss your 2022 tax return with the FTB, check the “Yes” box in the signature area of your tax return. Also, print the designee’s name and telephone number.

If you check the “Yes” box, you, and your spouse/RDP if filing a joint tax return, are authorizing the FTB to call the designee to answer any questions that may arise during the processing of your tax return. You are also authorizing the designee to:

- Give the FTB any information that is missing from your tax return.
- Call the FTB for information about the processing of your tax return or the status of your refund or payments.
- Receive copies of notices or transcripts related to your tax return, upon request.
- Respond to certain FTB notices about math errors, offsets, and return preparation.

You are not authorizing the designee to receive any refund check, bind you to anything (including any additional tax liability), or otherwise represent you before the FTB. If you want to expand or change the designee’s authorization, go to ftb.ca.gov/poa.

The authorization will automatically end no later than the due date (without regard to extensions) for filing your 2023 tax return. This is April 15, 2024, for most people. To revoke the authorization before it ends, notify us by telephone at 800.852.5711 or in writing at Franchise Tax Board, PO Box 942840, Sacramento CA 94240-0040. Include your name, SSN (or ITIN), and the designee’s name.

Voluntary Contribution Fund Descriptions

Make voluntary contributions of \$1 or more in whole dollar amounts to the funds listed below. To contribute to the California Seniors Special Fund, use the instructions for code 400 below. The amount you contribute either reduces your overpaid tax or increases your tax due. You may contribute only to the funds listed and cannot change the amount you contribute after you file your tax return. For more information, go to ftb.ca.gov and search for **voluntary contributions**.

Code 400, California Seniors Special Fund – If you and/or your spouse/RDP are 65 years of age or older as of January 1, 2023, and claim the Senior Exemption Credit, you may make a combined total contribution of up to \$280 or \$140 per spouse/RDP. Contributions made to this fund will be distributed to the Area Agency on Aging Councils (TACC) to provide advice on and sponsorship of Senior Citizens issues. Any excess contributions not required by TACC will be distributed to senior citizen service organizations throughout California for meals, adult day care, and transportation.

Code 401, Alzheimer's Disease and Related Dementia Voluntary Tax Contribution Fund – Contributions will be used to provide grants to California scientists to study Alzheimer's disease and related disorders. This research includes basic science, diagnosis, treatment, prevention, behavioral problems, and caregiving. With almost 600,000 Californians living with the disease and another 2 million providing care to a loved one with Alzheimer's, our state is in the early stages of a major public health crisis. Your contribution will ensure that Alzheimer's disease receives the attention, research, and resources it deserves. For more information, go to cdph.ca.gov and search for **Alzheimer**.

Code 403, Rare and Endangered Species Preservation Voluntary Tax Contribution Program – Contributions will be used to help protect and conserve California's many threatened and endangered species and the wild lands that they need to survive, for the enjoyment and benefit of you and future generations of Californians.

Code 405, California Breast Cancer Research Voluntary Tax Contribution Fund – Contributions will fund research toward preventing and curing breast cancer. Breast cancer is the most common cancer to strike women in California. It kills 4,000 California women each year. Contributions also fund research on prevention and better treatment, and keep doctors up-to-date on research progress. For more information about the research your contributions support, go to cbrp.org. Your contribution can help make breast cancer a disease of the past.

Code 406, California Firefighters' Memorial Voluntary Tax Contribution Fund – Contributions will be used for the repair and maintenance of the California Firefighters' Memorial on the grounds of the State Capitol, ceremonies to honor the memory of fallen firefighters and to assist surviving loved ones, and for an informational guide detailing survivor benefits to assist the spouses/RDPs and children of fallen firefighters.

If a taxpayer's contribution equals or exceeds \$195, the taxpayer will receive a single Vehicle Day Use Annual Pass. Amounts contributed in excess of the parks pass cost may be deducted as a charitable contribution for the year in which the voluntary contribution is made. Any contribution less than \$195 will be treated as a voluntary contribution and may be deducted as a charitable contribution. California Use Tax General Information

The use tax has been in effect in California since July 1, 1935. It applies to purchases of merchandise for use in California from out-of-state sellers and is similar to the sales tax paid on purchases you make in California. If you have not already paid all use tax due to the California Department of Tax and Fee Administration, you may be able to report and pay the use tax due on your state income tax return. See the information below and the instructions for Line 26 of your income tax return.

In general, you must pay California use tax on purchases of merchandise for use in California made from out-of-state sellers, for example, by telephone, over the Internet, by mail, or in person.

You must pay California use tax on taxable items if:

- The seller does not collect California sales or use tax, and
- You use, gift, store, or consume the item in this state.

Example: You live in California and purchase a dining table from a company in North Carolina. The company ships the table from North Carolina to your home for your use and does not charge California sales or use tax. You owe use tax on the purchase.

However, not all purchases require you to pay use tax. For example, you would include purchases of clothing, but not exempt purchases of food products or prescription medicine.

For more information on nontaxable and exempt purchases, you may refer to Pub. 61, Sales and Use Taxes: Exemptions and Exclusions, on the California Department of Tax and Fee Administration's website at cdtfa.ca.gov.

For information about California use tax, please refer to the California Department of Tax and Fee Administration's website at cdtfa.ca.gov and type "Find Information About Use Tax" in the search bar.

Complete the "Use Tax Worksheet" or use the "Estimated Use Tax Lookup Table", in the instructions for Line 26, Use Tax, in this booklet, to calculate the amount due.

Extensions to File. If you request an extension to file your income tax return, wait until you file your tax return to report your purchases subject to use tax and make your use tax payment.

Interest, Penalties and Fees. Failure to timely report and pay the use tax due may result in the assessment of interest, penalties, and fees.

Application of Payments. For purchases made during taxable years starting on or after January 1, 2015, payments and credits reported on an income tax return will be applied first to the use tax liability, instead of income tax liabilities, penalties, and interest.

Changes in Use Tax Reported. Do not file an Amended Income Tax Return to revise the use tax previously reported. If you have changes to the amount of use tax previously reported on the original return, contact the California Department of Tax and Fee Administration.

For assistance with your use tax questions, go to the California Department of Tax and Fee Administration's website at cdtfa.ca.gov or call their Customer Service Center at 800.400.7115 (CRS:711) (for hearing and speech disabilities). For California income tax information, contact the Franchise Tax Board at ftb.ca.gov.

Instructions for Filing a 2022 Amended Return

Important Information

Protective Claim – If you are filing a claim for refund for a taxable year where an audit is being conducted by another state's taxing agency, litigation is pending or where a final determination by the IRS is pending, check box a for "Protective claim for refund" on Schedule X, Part II, line 1. Specify the pending litigation or reference to the federal determination on Part II, line 2 so we can properly process your claim.

Do not attach your previously filed return to your amended return.

Do not file an amended return to correct your SSN, name, or address, instead, call or write us. See "Contacting the Franchise Tax Board" for more information.

Use Tax – **Do not** amend your return to correct a use tax error reported on your original tax return. Enter the amount from your original return. The

California Department of Tax and Fee Administration (CDTFA) administers this tax. Refer all questions or requests relating to use tax to the CDTFA at cdtfa.ca.gov or call **800.400.7115**.

Voluntary Contributions – You cannot amend voluntary contributions. Enter the amount from your original return.

Direct Deposit – You can now use direct deposit on your amended return.

When filing an amended return, only complete the amended Form 540 2EZ through line 36. Next complete the Schedule X. The amount from Schedule X, line 11 is your additional refund amount. This amount will be carried over to your amended Form 540 2EZ and will be entered on line 37 and line 38. The total of the amended Form 540 2EZ, line 37 and line 38 must equal the total amount of your refund on Schedule X, line 11. If the total of the amended Form 540 2EZ, line 37 and line 38 do not equal Schedule X, line 11, the FTB will issue a paper check.

Dependent Exemption Credit with No ID – For taxable years beginning on or after January 1, 2018, taxpayers claiming a dependent exemption credit for a dependent who is ineligible for an SSN and a federal ITIN may provide alternative information to the FTB to identify the dependent. To claim the dependent exemption credit, taxpayers complete form FTB 3568, attach the form and required documentation to their tax return, and write “no id” in the SSN field of line 8, Dependents, on Form 540 2EZ. For each dependent being claimed that does not have an SSN and an ITIN, a form FTB 3568 must be provided along with supporting documentation.

If you are amending a return beginning with taxable year 2018 to claim dependent exemption credit, complete an amended Form 540 2EZ, and write “no id” in the SSN field on the Dependents line, and attach Schedule X. To complete Schedule X, check box m for “Other” on Part II, line 1, and write the explanation “Claim dependent exemption credit with no id and form FTB 3568 is attached” on Part II, line 2. Make sure to attach form FTB 3568 and the required supporting documents in addition to the amended return and Schedule X. If you do not claim the dependent exemption credit on the original 2022 tax return, you may amend the 2022 tax return following the same procedure used to amend your previous year amended tax returns beginning with taxable year 2018. For more information, get FTB Notice 2021-01.

Purpose

Use Form 540 2EZ to amend your original or previously filed California resident income tax return. Check the box at the top of Form 540 2EZ indicating AMENDED return. Submit the completed amended Form 540 2EZ and Schedule X along with all required schedules and supporting forms.

When to File

Generally, if you filed federal Form 1040-X, Amended U.S. Individual Income Tax Return, file an amended California tax return within six months unless the changes do not affect your California tax liability. File an amended return only after you have filed your original or previously filed California tax return.

California Statute of Limitations

Original tax return was filed on or before April 15th:

If you are making a claim for refund, file an amended tax return within four years from the original due date of the tax return or within one year from the date of overpayment, whichever period expires later.

Original tax return was filed within the extension period (April 15th – October 15th):

If you are making a claim for refund, file an amended tax return within four years from the date the original tax return was filed or within one year from the date of overpayment, whichever period expires later.

Original tax return was filed after October 15th:

If you are making a claim for refund, file an amended tax return within four years from the original due date of the tax return (April 15th) or within one year from the date of overpayment, whichever period expires later.

If you are filing your amended tax return after the normal statute of limitation period (four years after the due date of the original tax return), attach a statement explaining why the normal statute of limitations does not apply.

If you are filing your amended return in response to a billing notice you received, you will continue to receive billing notices until your amended tax return is accepted. You may file an informal claim for refund even though the full amount due including tax, penalty, and interest has not yet been paid. After the full amount due has been paid, you have the right to appeal to the Office of Tax Appeals at ota.ca.gov or to file suit in court if your claim for refund is disallowed.

To file an informal claim for refund, check box I for “Informal claim” on Schedule X, Part II, line 1 and mail the claim to:

FRANCHISE TAX BOARD
PO BOX 942840
SACRAMENTO CA 94240-0040

Financially Disabled Taxpayers

The statute of limitations for filing claims for refunds is suspended during periods when a taxpayer is “financially disabled.” You are considered “financially disabled” when you are unable to manage your

financial affairs due to a medically determinable physical or mental impairment that is deemed to be either a terminal impairment or is expected to last for a continuous period of not less than 12 months. You **are not** considered “financially disabled” during any period that your spouse/RDP or any other person is legally authorized to act on your behalf on financial matters. For more information, get form FTB 1564, Financially Disabled – Suspension of the Statute of Limitations.

Federal Notices

If you were notified of an error on your federal income tax return that changed your AGI, you may need to amend your California income tax return for that year.

If the IRS examines and changes your federal income tax return, and you owe additional tax, report these changes to the FTB within six months. You do not need to inform the FTB if the changes do not increase your California tax liability. If the changes made by the IRS result in a refund due, you must file a claim for refund within two years. Use an amended Form 540 2EZ and Schedule X to make any changes to your California income tax returns previously filed.

Include a copy of the final federal determination, along with all underlying data and schedules that explain or support the federal adjustment.

Note: Most penalties assessed by the IRS also apply under California law. If you are including penalties in a payment with your amended tax return, see Schedule X, line 8a instructions.

Children With Investment Income

If your child was required to file form FTB 3800, Tax Computation for Certain Children with Unearned Income, and your taxable income has changed, review your child’s tax return to see if you need to file an amended tax return. Get form FTB 3800 for more information.

Contacting the Franchise Tax Board

If you have not received a refund within six months of filing your amended return, **do not** file a duplicate amended return for the same year. For information on the status of your refund, you may write to:

FRANCHISE TAX BOARD
PO BOX 942840
SACRAMENTO CA 94240-0040

For telephone assistance, see General Phone Service at the end of this booklet.

Filing Status

Your filing status for California must be the same as the filing status you used on your federal income tax return, unless you are in an RDP. If you are an RDP and file single for federal, you must file married/RDP filing jointly or married/RDP filing separately for California. If you entered into a same-sex marriage, your filing status for California would generally be the same as the filing status that was used for federal. If you are a same-sex married individual or an RDP and file head of household for federal, you may file head of household for California only if you meet the requirements to be considered unmarried or considered not in a registered domestic partnership.

Changing Your Filing Status – If you changed your filing status on your federal amended tax return, also change your filing status for California.

Married/RDP Filing Jointly to Married/RDP Filing Separately – You cannot change from married/RDP filing jointly to married/RDP filing separately after the due date of the tax return.

Exception: A married couple who meets the exception for filing a separate tax return may change from joint to separate tax returns after the due date of the tax return. Get the instructions for Form 540 for more information.

Filing Separate Tax Returns to Married/RDP Filing Jointly – If you or your spouse/RDP (or both of you) filed a separate tax return, you generally can change to a joint tax return any time within four years from the original due date of the separate tax return(s). To change to a joint tax return, you and your spouse/RDP must have been legally married or in an RDP on the last day of the taxable year.

To amend from separate tax returns to a joint tax return, follow Form 540 2EZ instructions to complete only one amended tax return. Both you and your spouse/RDP must sign the amended joint tax return.

2022 Instructions for Form FTB 3514

California Earned Income Tax Credit

References in these instructions are to the Internal Revenue Code (IRC) as of **January 1, 2015**, and to the California Revenue and Taxation Code (R&TC).

What's New

Foster Youth Tax Credit – For taxable years beginning on or after January 1, 2022, the refundable Foster Youth Tax Credit (FYTC) is available to an individual and/or spouse/RDP age 18 to 25, who is allowed the California Earned Income Tax Credit (EITC) for the taxable year, was in foster care while 13 years of age or older and placed through the California foster care system. The maximum amount of credit allowable for each eligible taxpayer is \$1,083. The credit amount phases out as earned income exceeds the threshold amount of \$25,000, and completely phases out at \$30,000. For more information, see Step 10, Qualifications for Foster Youth Tax Credit (FYTC), in the instructions, or California Revenue and Taxation Code (R&TC) Section 17052.2, or go to ftb.ca.gov and search for **fytc**.

Young Child Tax Credit Expansion – For taxable years beginning on or after January 1, 2022, California expanded the Young Child Tax Credit (YCTC) eligibility to include an eligible individual with a qualifying child who would otherwise have been allowed the California EITC but that the individual has earned income of zero dollars or less, does not have net losses in excess of \$32,490 in the taxable year, and does not have wages, salaries, tips, and other employee compensation in excess of \$32,490 in the taxable year. For more information, see Step 8, Qualifications for Young Child Tax Credit (YCTC), in the instructions, or R&TC Section 17052.1, or go to ftb.ca.gov and search for **yctc**.

Special Rule for Separated Spouses/Registered Domestic Partners (RDPs) – The federal American Rescue Plan Act of 2021 allows married taxpayers who file married filing separately for federal purposes and who meet certain requirements to qualify for the federal Earned Income Tax Credit. California law conforms to these changes for purposes of eligibility for California Earned Income Tax Credit. For more information, see Specific Instructions, Special rule for separated spouses/RDPs.

Taxpayers with Individual Taxpayer Identification Number – For taxable years beginning on or after January 1, 2022, taxpayers who claim the EITC, YCTC, and FYTC using an Individual Taxpayer Identification Number (ITIN) may, upon request of the Franchise Tax Board (FTB), use identifying documents acceptable for purposes of obtaining a California identification card as authorized by the California Vehicle Code and related regulations for purposes of establishing documents acceptable to prove identity, in addition to other documents already listed under Specific Instructions for line 7, “Valid ITIN” section.

General Information

In general, for taxable years beginning on or after January 1, 2015, California law conforms to the Internal Revenue Code (IRC) as of January 1, 2015. However, there are continuing differences between California and federal law. When California conforms to federal tax law changes, we do not always adopt all of the changes made at the federal level. For more information, go to ftb.ca.gov and search for **conformity**. Additional information can be found in FTB Pub. 1001, Supplemental Guidelines to California Adjustments, the instructions for California Schedule CA (540), California Adjustments - Residents, or Schedule CA (540NR), California Adjustments - Nonresidents or Part-Year Residents, and the Business Entity tax booklets.

The instructions provided with California tax forms are a summary of California tax law and are only intended to aid taxpayers in preparing their state income tax returns. We include information that is most useful to the greatest number of taxpayers in the limited space available. It is not possible to include all requirements of the R&TC in the instructions. Taxpayers should not consider the instructions as authoritative law.

Registered Domestic Partners

For purposes of California income tax, references to a spouse, husband, or wife also refer to a California RDP, unless otherwise specified. When we use the initials RDP, they refer to both a California registered domestic “partner” and a California registered domestic “partnership,” as applicable. For more information on RDPs, get FTB Pub. 737, Tax Information for Registered Domestic Partners.

California Earned Income Tax Credit

The refundable California EITC is available to taxpayers who earned wage income subject to California withholding and/or have net earnings from self-employment. This credit is similar to the federal Earned Income Credit (EIC) but with different income limitations. The California EITC reduces your California tax obligation, or allows a refund if no California tax is due. You do not need a child to qualify, but must file a California income tax return to claim the credit and attach a completed form FTB 3514, California Earned Income Tax Credit.

Young Child Tax Credit

For taxable years beginning on or after January 1, 2019, the refundable YCTC is available to taxpayers who also qualify for the California EITC and who have at least one qualifying child who is younger than six years old as of the last day of the taxable year. For taxable year 2022, the maximum amount of credit allowable for a qualified taxpayer is \$1,083. The credit amount phases out as earned income exceeds the threshold amount of \$25,000, and completely phases out at \$30,000. For more information, see Step 8, Qualifications for Young Child Tax Credit (YCTC), in the instructions, or go to ftb.ca.gov and search for **yctc**.

Expansion for Credits Eligibility

For taxable years beginning on or after January 1, 2020, California expanded EITC and YCTC eligibility to allow either the federal Individual Tax Identification Number (ITIN) or the Social Security Number (SSN) to be used by all eligible individuals, their spouses, and qualifying children. If an ITIN is used, eligible individuals should provide identifying documents upon request of the Franchise Tax Board (FTB). Any valid SSN can be used, not only those that are valid for work. Additionally, upon receiving a valid SSN, the individual should notify the FTB in the time and manner prescribed by the FTB. The YCTC is available if the eligible individual or spouse has a qualifying child younger than six years old. For more information, see General Information B, Differences in California and Federal Law, Specific Instructions for line 7, and go to ftb.ca.gov and search for **eitc**.

Worker Status: Employees and Independent Contractors

Some individuals may be classified as independent contractors for federal purposes and employees for California purposes, which may also cause changes in how their income and deductions are classified. For more information, see Specific Instructions, Step 5, line 13 and line 18.

A Purpose

Use form FTB 3514 to determine whether you qualify to claim the EITC, YCTC, and FYTC, provide information about your qualifying children, if applicable, and to figure the amount of your credits.

B Differences in California and Federal Law

The differences between California and federal law for the Earned Income Tax Credit are as follows:

- California allows this credit for wage income (wages, salaries, tips and other employee compensation) that is subject to California withholding.
- If you were a nonresident, you must have earned wage income that is subject to California withholding.
- Both your earned income and federal adjusted gross income (AGI) must be less than \$30,001 to qualify for the California credit.
- An eligible individual without a qualifying child is 18 years or older for the California credit.
- You may elect to include all of your (and/or all of your spouse's/RDP's if filing jointly) nontaxable military combat pay in earned income for California purposes, whether or not you elect to include it for federal purposes. Get FTB Pub. 1032, Tax Information for Military Personnel, for special rules that apply to military personnel claiming the EITC.
- You may elect to include or exclude Medicaid waiver payments or In Home Supportive Services (IHSS) payment from earned income for the California credit, whether or not you elect to include or exclude them for the federal credit.

- California allows this credit to eligible individuals and their spouses who have a valid federal ITIN or who have qualifying children who have a valid federal ITIN.

Specific Instructions

If certain requirements are met, you or your eligible spouse may claim the EITC, YCTC, or FYTC even if you do not have a valid SSN and instead have a valid federal ITIN. If you have a valid federal ITIN, enter it in the Your SSN or ITIN field at the top of the form. For more information, see the General Information section and Specific Instructions for line 7.

If certain requirements are met, you may claim the EITC even if you do not have a qualifying child. The amount of the credit is greater if you have a qualifying child, and increases with each child that qualifies, up to a maximum of three children. Follow Step 1 through Step 7 to determine if you qualify for the credit and to figure the amount of the credit.

If your EITC was reduced or disallowed for any reason other than a math or clerical error and you now want to take the EITC, then answer "Yes" on line 1b within the form and follow Step 1 through Step 7 to determine if you qualify for the credit.

Special Rule for Separated Spouses/RDPs. You can claim the EITC if you are married/RDP, not filing a joint return, had a qualifying child who lived with you for more than half of 2022, **and either** of the following applies:

- You lived apart from your spouse/RDP for the last 6 months of 2022, **or**
- You are legally separated according to California law under a written separation agreement or a decree of separate maintenance and you did not live in the same household as your spouse/RDP at the end of 2022.

If you meet these requirements, check the box at the top of form FTB 3514.

Attach the completed form FTB 3514 to your Form 540 or 540 2EZ, California Resident Income Tax Return, or Form 540NR, California Nonresident or Part-Year Resident Income Tax Return, if you claim the California EITC.

- Lived with you in California for more than half of 2022. If the child did not live with you for the required time, see exceptions in the instructions for line 11.

Note: If the child was married/in an RDP or meets the conditions to be a qualifying child of another person (other than your spouse/RDP if filing a joint return), special rules apply. Get federal Pub. 596 for more information.

Yes Stop here, you cannot take the credit.

No Complete form FTB 3514, Part III, line 5 through line 12.
Go to Step 5.

Note: If your qualifying child is younger than six years old as of the last day of the taxable year, you must list that child's information under Child 1, Child 2, or Child 3 column. **Do not** include the information of any child younger than six years old in an attachment to the form FTB 3514. See Step 8 and Step 9 in the instructions to see if you qualify for the YCTC.

Line 7 – SSN or ITIN

The child must have a valid SSN or ITIN, as defined below, unless the child was born and died in 2022. If your child was born alive and died in 2022 and did not have an SSN or an ITIN, write "Died" on this line and attach a copy of the child's birth certificate, death certificate, or hospital medical records or include it according to your software's instructions.

Valid SSN – A valid SSN is a number issued by the Social Security Administration without regard to whether it was issued for employment or issued solely for the purpose of receiving federally funded benefits.

Valid ITIN – A valid ITIN is a federal tax processing number issued by the Internal Revenue Service that is not expired or revoked. For taxable years beginning on or after January 1, 2020, a valid federal ITIN can be used to claim the EITC, YCTC, and FYTC. If an ITIN is used, eligible individuals should provide the documents listed below upon request by the FTB:

- Identifying documents acceptable for purposes of obtaining a California driver's license or identification card as authorized by the California Vehicle Code and related regulations for purposes of establishing documents acceptable to prove identity.
- Identifying documents used to report earned income for the taxable year.

Additionally, upon receiving a valid SSN, the individual should notify the FTB in the time and manner prescribed by the FTB. For more information, go to ftb.ca.gov and search for **eitc**.

An Adoption Taxpayer Identification Number (ATIN) cannot be used to claim EITC. If you or your child has an ATIN and later gets a valid SSN or a valid federal ITIN, you may be able to file an amended return. Use Form 540, 540 2EZ, or 540NR to amend your original or previously filed tax return with Schedule X, California Explanation of Amended Return Changes, attached to the amended return.

If you did not have an SSN or federal ITIN by the due date of your 2022 return (including extensions), you cannot claim the EITC, YCTC, or FYTC on either your original or an amended 2022 return, even if you later get an SSN or federal ITIN. Also, if a child did not have an SSN or federal ITIN by the due date of your return (including extensions), you cannot count that child as a qualifying child in figuring the EITC (or YCTC) on either your original or an amended 2022 return, even if that child later gets an SSN or federal ITIN.

Line 9a – Student

A student is a child who during any part of 5 calendar months of 2022 was enrolled as a full-time student at a school, or took a full-time, on-farm training course given by a school or a state, county, or local government agency. A school includes a technical, trade, or mechanical school. It does not include an on-the-job training course, correspondence school, or school offering courses only through the Internet.

Line 9b – Permanently and totally disabled

A person is permanently and totally disabled if, at any time in 2022, the person could not engage in any substantial gainful activity because of a physical or mental condition and a doctor has determined that this condition (a) has lasted or can be expected to last continuously for at least a year, or (b) can be expected to lead to death.

Line 10 – Child's relationship to you

For additional information, see qualifying child definition.

Line 11 – Number of days child lived with you

Enter the number of days the child lived with you in California during 2022. To qualify, the child must have the same principal place of residence in California as you for more than half of 2022, defined as 183 days or more (if a leap year, it is 184 days). If the child was born or died in 2022 and your home was the child's home for more than half the time he or she was alive during 2022, enter "365". Do not enter more than 365 days, unless it's a leap year, then enter 366 days. If the child did not live with you for the required time, temporary absences may count as time lived at home. For more information, get federal Pub. 596.

Line 12 – Child's physical address

Enter the physical address where the child resided during 2022. This should be the address of the principal place of residence in California where the child lived with you for more than half of 2022. If the child lived with you in California for more than half of 2022, but moved within California during this period, this should be the address of the principal place of residence that was shared the longest.

Enter the total amount of your California wages from your federal Form(s) W-2, Wage and Tax Statement. This amount appears on Form W-2, box 16. Include all of your Medicaid waiver payments or IHSS payments even if the payments are nontaxable for federal purposes.

If you have not reached the minimum retirement age and you received disability payment reported on federal Form 1099-R, Distributions From Pensions, Annuities, Retirement or Profit-Sharing Plans, IRAs, Insurance Contracts, etc., and a distribution code 3 is shown in box 7 of federal

Form 1099-R, include the amount of the disability payment on form FTB 3514, line 13.

Note: If you have clergy wages, subtract the self employment tax, if any, that was reported on federal Schedule SE (Form 1040), Self-Employment Tax, and enter the result on form FTB 3514, line 13.

Employees and independent contractors – If the taxpayer's classification for California and federal purposes is different, enter the earned income as wages on line 13 or as business income on line 18 based on the federal classification of income. For example, a taxpayer may be classified as an independent contractor for federal purposes, but as an employee for California purposes. Based on this example, this taxpayer would enter their income as business income on form FTB 3514, line 18. Use your federal classification for EITC purposes only and for all other purposes such as completing other tax forms, schedules, etc., use your California classification.

Line 14 – IHSS payments

You may elect to include or exclude your Medicaid waiver payments or IHSS payments if the payments are nontaxable for federal purposes. If you elect to exclude such payments from your earned income for California EITC purposes, enter the amount you received as Medicaid waiver payments or IHSS payments that are nontaxable for federal purposes on line 14. If you elect to include such payments, leave line 14 blank. If you are filing a joint return, both you and/or your spouse/RDP can elect to include or exclude your own nontaxable Medicaid waiver payments or IHSS payments for California EITC purposes. You may elect to include or exclude such payments from earned income for California EITC purposes, whether or not you elect to include or exclude them for federal purposes.

Line 17 – Nontaxable combat pay

Enter the amount from federal Form W-2, box 12, code Q, if you elect to include your nontaxable military combat pay in earned income for EITC purposes. If you are filing a joint return, both you and/or your spouse/RDP can elect to include your own nontaxable military combat pay for EITC purposes. Each must include all of their nontaxable military combat pay, not just a portion of it. You may elect to include nontaxable military combat pay in earned income for California purposes, whether or not you elect to include it for federal purposes.

Line 18 – Business income or (loss)

If you are self-employed and have net earnings from self-employment, go to Worksheet 3 to figure your business income or loss. Attach a copy of your complete federal return, including any federal Schedule C (Form 1040), Profit or Loss From Business, Schedule F (Form 1040), Profit or Loss From Farming, Schedule SE (Form 1040), and any Schedule K-1 (Form 1065), Partner's Share of Income, Deductions, Credits, etc.

Employees and independent contractors – If the taxpayer's classification for California and federal purposes is different, enter the earned income as wages on line 13 or as business income on line 18 based on the federal classification of income. For example, a taxpayer may be classified as an independent contractor for federal purposes, but as an employee for California purposes. Based on this example, this taxpayer would enter their income as business income on form FTB 3514, line 18. Use your federal classification for EITC purposes only and for all other purposes such as completing other tax forms, schedules, etc., use your California classification.

To claim the FYTC, you must complete line 31 and line 33 of form FTB 3514 and sign your tax return.

Line 32 – Qualifying foster youth information

If the first name and/or last name provided on the tax return is different from the first name and/or last name while in foster care, provide the name while in foster care in the applicable spaces provided.

Line 33 – Consent and authorization

Check the box to indicate your consent and authorization for the California Department of Social Services (CDSS) to share limited information about you with the California Franchise Tax Board for purposes of verifying your eligibility for the FYTC. You may only provide consent for yourself. Consent is optional.

If you are not checking the applicable box to provide consent, attach to this return a letter issued by a county or state agency confirming each individual who claims the FYTC status as a foster youth at or after age 13, or other proof of status as a condition of receiving the FYTC. Below are samples of other proof/supporting documentation that may be provided:

- CDSS Foster Care Verification Form
- County-issued letter

If consent and/or the proof you submit does not result in satisfactory proof of your eligibility, we may contact you to provide additional proof, which may delay a decision on your eligibility.

To request information needed to verify your status as a foster youth at or after age 13, contact:

California Department of Social Services	
Telephone:	916.651.8848
Email:	piar@dss.ca.gov
Mail:	744 P Street, Sacramento, CA 95814
Out-of-State Inquiries:	cdss.osi@dss.ca.gov

A decision on your eligibility for the FYTC may be delayed or denied if your eligibility is not confirmed by CDSS or you do not provide satisfactory proof of your eligibility to the FTB. For that reason, we recommend that you check the applicable box to provide your consent and/or attach proof of your status as a foster youth at or after age 13 to your tax return.

You must sign your tax return and attach form FTB 3514 to your return.

Line 34 – California Earned Income

California earned income for purposes of the FYTC is the same as for the California EITC. Enter the amount from form FTB 3514, line 19.

Line 36 – Excess Earned Income over threshold

Subtract the \$25,000 threshold amount from your California earned income entered on line 34 and enter the excess amount on line 36.

Line 37 and Line 38

For every \$100 over the threshold amount, the credit is reduced by \$21.66 if either the taxpayer or spouse/RDP is claiming the FYTC, and by \$43.32 if both taxpayer and spouse/RDP are claiming the FYTC.

Line 39 – Foster Youth Tax Credit

This is the amount of your allowable FYTC to claim on your tax return. This amount should also be entered on Form 540, line 77; or Form 540 2EZ, line 23c. If you file Form 540 or 540 2EZ, stop here, do not go to Step 11.

Step 11 Nonresident or Part-Year Resident Foster Youth Tax Credit (FYTC)**Line 40 – CA exemption credit percentage**

If you file Form 540NR, enter your California Exemption Credit Percentage from Form 540NR, line 38 on form FTB 3514, line 40. However, if you completed Worksheet 4, enter the California Exemption Credit Percentage from Worksheet 4, line 10 on form FTB 3514, line 40.

Line 41 – Nonresident or part-year resident FYTC

Multiply line 39 by line 40 and enter the result on form FTB 3514, line 41. This amount should also be entered on Form 540NR, line 87.

Frequently Asked Questions

1. Do I have to file?

In general, you must file a California tax return if you are:

Single, or head of household, and either of the following apply:

- Gross income is more than \$20,913
- California adjusted gross income is more than \$16,730

Married/RDP filing jointly and either of the following apply:

- Gross income is more than \$41,830
- California adjusted gross income is more than \$33,466

Qualifying surviving spouse/RDP and either of the following apply:

- Gross income is more than \$35,346
- California adjusted gross income is more than \$31,163

Able to be claimed as a dependent of another taxpayer and either your gross income or adjusted gross income is more than your standard deduction.

You cannot use Form 540 2EZ if your total wages, salaries, and tips are less than the following amounts based on your filing status:

Single.....\$4,802

Married/RDP filing jointly, head of household,
or qualifying surviving spouse/RDP.....\$10,004

The amounts above represent the standard deduction minus \$400.

Get Form 540 at ftb.ca.gov/forms or file online through **CalFile** or **e-file**. See “Steps to Determine Filing Requirements.”

2. How can I get help?

Throughout California, more than 1,200 sites provide trained volunteers offering free help during the tax filing season to persons who need to file simple federal and state income tax returns. Many military bases also provide this service for members of the U.S. Armed Forces. Go to ftb.ca.gov and search for **vita** to find a list of participating locations or call the FTB at 800.852.5711 to find a location near you.

3. When do I have to file?

File and pay by April 18, 2023, but if you cannot file by that date, you get an automatic paperless extension to file by October 16, 2023. Any tax due must be paid by April 18, 2023, to avoid penalties and interest. Get form FTB 3519, Payment for Automatic Extension for Individuals. You cannot use Form 540 2EZ if you make an extension payment with form FTB 3519. You can CalFile, e-file, or use Form 540 or Form 540NR when you file your tax return. Also, see “Paying Your Taxes” for information regarding a one-time timeliness penalty abatement.

If you are in the military, you may be entitled to certain extensions. For more information, get FTB Pub. 1032, Tax Information for Military Personnel.

4. I don't have my federal Forms W-2. What do I do?

If all your federal Forms W-2 were not received by January 31, 2023, contact your employer. Only an employer issues or corrects federal Form W-2. California wage and withholding information is available on MyFTB at ftb.ca.gov. For more information, call 800.338.0505, follow the recorded instructions and enter code **204** when instructed.

5. Is direct deposit safe?

Direct deposit is safe and convenient. To have your refund directly deposited into your bank account, fill in the account information on Form 540 2EZ, Side 4, line 37 and line 38. Fill in the routing and account numbers and indicate the account type.

6. I discovered an error on my tax return. What should I do?

If you discover an error on your California income tax return after you filed it (paper or e-file), file an amended Form 540 2EZ and attach Schedule X to correct your previously filed tax return. Get

Schedule X at ftb.ca.gov/forms or call 800.338.0505, follow the recorded instructions, and enter code **908** when instructed.

7. I owe tax, but don't have the money. What can I do?

If you cannot pay on or before the due date, you may request approval to make monthly installments. You may pay using Web Pay or a credit card. Also, see “Paying Your Taxes,” for information on Web Pay, Credit Card, and Request Monthly Installments.

8. How can I find out about the status of my refund?

Go to ftb.ca.gov and search for **refund status** or call 800.338.0505.

9. How long do I keep my tax records?

Generally, keep your California income tax records for at least four years from the due date of the tax return or four years from the date the tax return is filed, whichever is later. However, an extended period may apply for California or federal tax returns related or subject to federal audit.

10. I will be moving after I file my tax return. How do I notify the FTB of my new address?

Go to ftb.ca.gov and login or register for MyFTB or call 800.852.5711 and follow the recorded instructions to report a change of address. You may also use form FTB 3533, Change of Address for Individuals. This form is available at ftb.ca.gov/forms. If you change your address online or by phone, you do not need to file form FTB 3533.

11. The IRS made changes to my federal tax return. What should I do?

If your federal income tax return is examined and changed by the IRS and you owe additional tax, report these changes to the FTB within six months of the date of the final federal determination. If the changes the IRS made result in a refund due for California, claim a refund within two years of the date of the final federal determination. File an amended Form 540 2EZ and Schedule X to correct your previously filed income tax return and mail them to the following address, as applicable:
