California e-file Return Authorization for Fiduciaries

General Information

A Purpose of Form FTB 8453-FID

Form FTB 8453-FID, California e-file Return Authorization for Fiduciaries, is the signature document for fiduciary e-file returns. By signing this form, the fiduciary, electronic return originator (ERO), and paid preparer declare that the return is true, correct, and complete. Additionally, the signatures authorize the electronic transmission of the return to the Franchise Tax Board (FTB) and the execution of any designated electronic account settlement. The form **does not** serve as proof of filing an electronic return – the acknowledgement containing the date of acceptance for the return is that proof.
