Part III – Authorization for All Years or Specific Years Your POA Declaration Covers

You must check either the “Yes” or “No” box below. Your selection authorizes representatives in Part II and on Side 4 to contact FTB about your account, receive and inspect your confidential information, represent you in all FTB matters, and request information we receive from the Internal Revenue Service for either question 1 or 2 indicated below.

If you authorize “all years” and “specific years,” the specific years privilege prevails. Enter “NA” (not applicable) or strike through any blank year fields in boxes 2a through 2d. If you do not check either the “Yes” or “No” box or check both the “Yes” and “No” box, we will process the authorization as a “No.” This may cause your POA Declaration to be invalid, and it may be rejected. If you authorize “all years,” this will include previous, current, and future years up to the expiration date. If you authorize “specific years,” you can designate future years or income periods up to **five years** from the POA Declaration signature date.

Part V – Request or Retain MyFTB Full Online Account Access for Tax Professional(s)

You must check either the “Yes” or “No” box below. If you check the “Yes” box, you are requesting to authorize or retain full online account access for your tax professional(s), including the ability to view tax returns and take available actions based upon the year(s) designated on this declaration. If you request full online account access for your tax professional(s) on your POA declaration, a separate notice will be mailed to you with an authorization code and instructions to approve or deny the online account access request. An authorization code will not be sent for tax professional(s) that have existing full online account access.

If you check the “No” box, both the “Yes” and “No” boxes, or do not check any box, we will process the authorization as a “No.” In that instance, your tax professional(s) will be granted limited online account access. In addition, any existing relationships with full online account access will be changed to limited online account access. Limited online account access includes viewing notices and most correspondence issued by FTB in the last 12 months.

Note: Tax professional(s) with limited or full online account access may have access to notices and correspondence in MyFTB for any tax year(s).

This online account access authorization does not affect your tax professional(s) ability to take actions on your behalf or the information they can receive by phone, chat, correspondence, or in person.

If your POA declaration is rejected, this request for online access will not be processed and no updates will be made to online access levels for any existing relationships.

Note: Online access is not available for fiduciary accounts.
