
Career Ladders

This Career Ladder document shows several class series for potential employee advancement. Employees may promote to higher levels through the examination process. You may qualify for examinations with education, training, or experience. Each class series identifies the class title, salary ranges, and related classes. Additionally, we group each class series by clerical, technical, administrative, and professional classes.

Salary Ranges

Each class shows the minimum and maximum salary rate for the class effective July 2015 and is subject to collective bargaining changes.

Transfers

Several factors determine transfer eligibility. Generally, transfers are possible when the difference between two classifications' maximum salary range is less than 10 percent. However, there are exceptions.

Current FTB Employees

For transfer eligibility assistance, contact your personnel management consultant or personnel specialist.

Resources

For additional FTB career information, go to ftb.ca.gov and search for **about us** and **careers**.

For employment opportunities with the state of California, go to jobs.ca.gov to access the California Department of Human Resources' website.

Current FTB Employees

Go to FTBNet and select **Job Opportunities**. You may also subscribe to the **Job Opportunities** or **Exam Bulletin** announcements to receive email notifications about exams and jobs. For additional career information, go to **FTBNet**, select the **Human Resources** tab, and then choose your desired topic under **Jobs**.
