Note from FTB:

This is a sample tax bill. It is not an all-inclusive list of what is deductible and nondeductible. Based on this sample tax bill:

- The "basic tax" is based on the assessed value of your property and is generally deductible.
- The green highlight indicates a tax rate. The presence of a tax rate indicates the corresponding amount is generally deductible.
- With the exception of the "basic tax", an amount that does not include a corresponding tax rate is generally nondeductible.
