Cal EARNED INCOME TAX CREDIT

You may qualify for cash-back tax credits that can increase your refund when you file your taxes!

The expanded California Earned Income Tax Credit (CalEITC), along with the federal EITC, can result in hundreds or even thousands of extra dollars in your pocket!

That's money you can use for rent, school tuition, utilities, groceries, and other important expenses.

CalEITC is designed to help working families, college students, and seniors!

The amount of CalEITC you may be eligible for depends on how much money you earn from work. You may also be eligible if you:

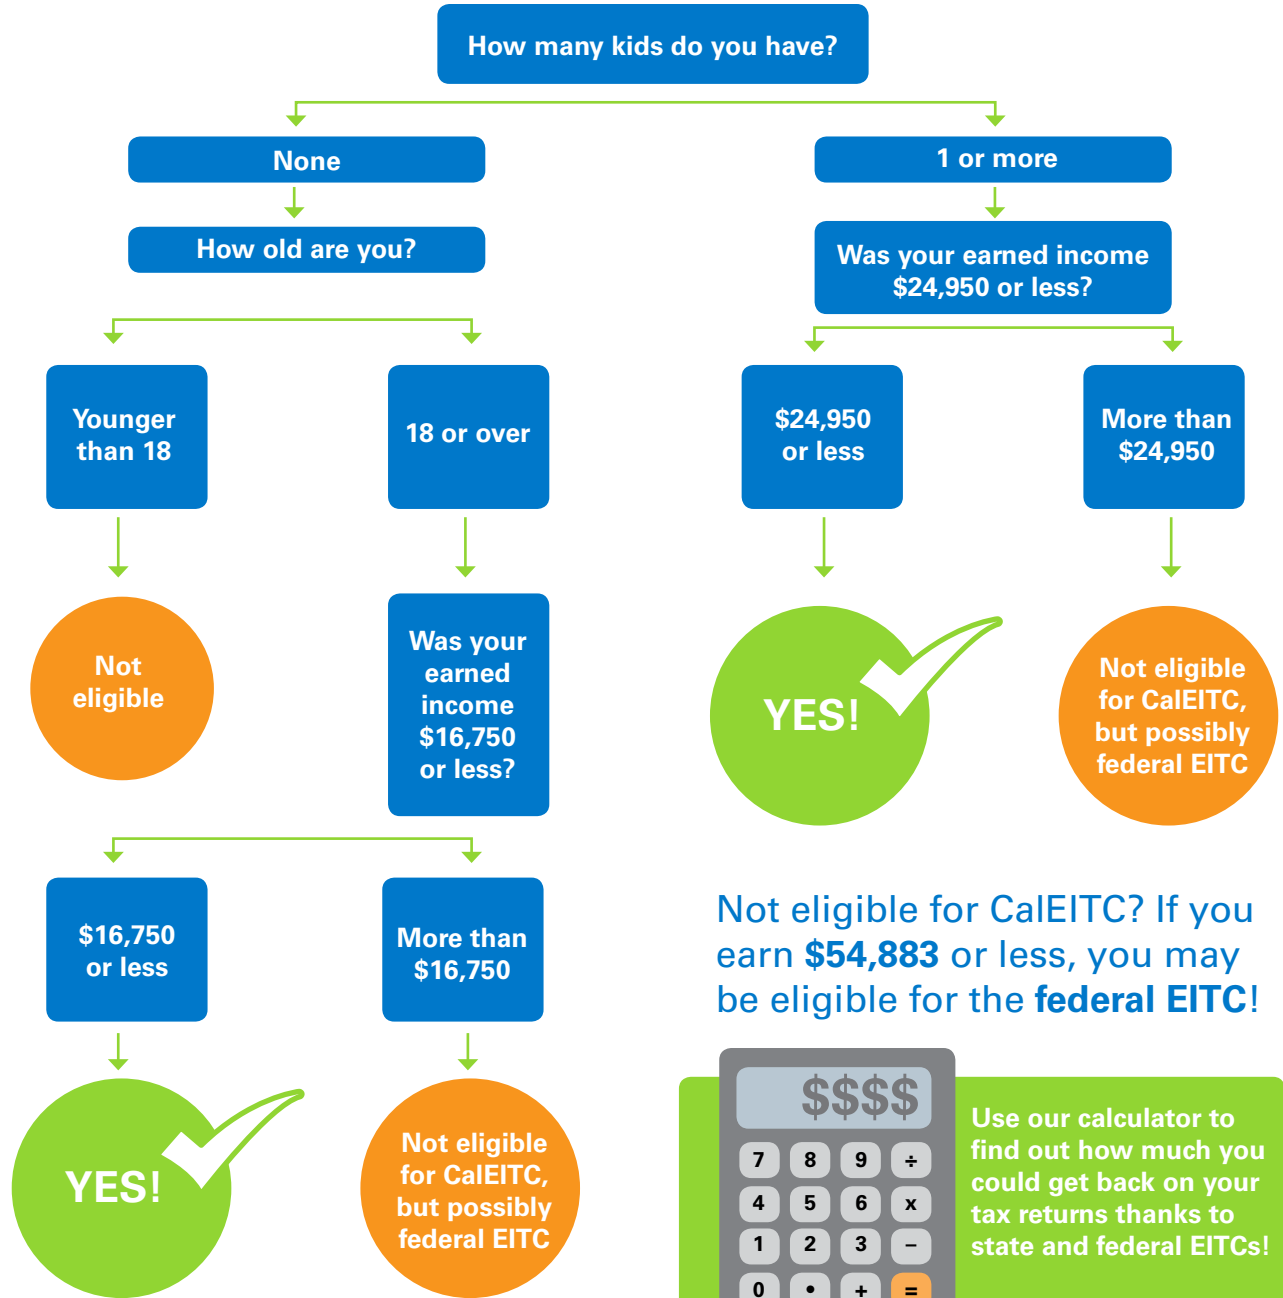

- Are over age 18.
- Work for an employer or work for yourself.
- Are single or have kids.
- Have a Social Security Number valid for work.
- Lived in CA at least half the tax year.

In addition to CalEITC, you may also be eligible for the federal EITC if you earn \$54,883 or less.

For information on both CalEITC and the federal EITC, as well as info on how to get your tax returns done for free, go to CalEITC4Me.org.
