Subject: Board Approval for Contracts Exceeding \$1 Million – Enterprise Data Storage Systems

Memorandum

This memorandum provides information for your notification to the Board pursuant to their resolution requiring approval for contracts exceeding \$1 million. This request seeks approval to purchase additional data storage capacity for our enterprise storage systems. Additional space is required in order to store and process mission critical taxpayer information which is accessed by multiple FTB systems. The estimated cost of the purchase is \$6 million and the department plans to utilize the Department of General Services' Leveraged Procurement Agreements.

If you have any questions regarding any of the above items, please contact Michael Banuelos at 845.6110 or me at 845.7893.

Marco Esquivel, Director
Finance and Executive Services Division
