## Summary

This bill would, under the Health and Safety Code, exempt low-mileage agricultural vehicles from any regulations to reduce emissions of diesel particulate matter, oxides of nitrogen and other certain air pollutants from in-use diesel-fueled vehicles.

## Analysis

The June 7, 2018, amendments deleted the income tax provisions that would have created the Disaster Victim Assistance Voluntary Tax Contribution Fund and inserted the provision discussed above. As a result of the amendments, this bill no longer impacts the department's programs and operations or state income tax revenue.
