SUMMARY

The June 29, 2020, amendments removed the provisions of the bill related to serving adverse actions against state employees, and inserted the provisions discussed below. As a result of the amendments, this bill no longer impacts the department's programs and operations or state income tax revenue.

ANALYSIS

This bill would, under the Government Code, revise and recast required components of the multiagency juvenile justice plan. The bill would require that at least ninety-five percent of the funds allocated under these provisions be distributed to community-based organizations and other public agencies or departments that are not law enforcement entities, as specified. In addition, this bill would revise and recast the membership provision of the juvenile justice coordinating council, requiring half of the seats to be community representatives.
