- No analysis required – Not within our scope of responsibility.

### **SUMMARY**

This bill, under the Government Code, would provide for a successor agency for the consolidation of specified fire districts within the County of Santa Cruz and the continuation of employee retirement plans and fire and emergency response services.

### **ANALYSIS**

The June 18, 2020, amendments removed the provisions that would have established disclosure requirements for tax preparers and required the Franchise Tax Board to develop model disclosure forms and discipline violators of the disclosure requirements, and inserted provisions related to the public employees' retirement system. As a result of the amendments, this bill no longer impacts the department's programs and operations or state income tax revenue.
