### **Summary**

This bill would modify the Revenue and Taxation Code (R&TC) related to hazardous materials fees.

### **Analysis**

The March 20, 2019, amendments replaced language that would have made a nonsubstantive technical change to the R&TC with language that would modify a provision of the R&TC administered by the California Department of Tax and Fee Administration. This bill does not impact the department's programs and operations, or state income tax revenue.
