## SUBJECT

Code Maintenance

## SUMMARY

This bill would make numerous technical, nonsubstantive changes as a matter of code maintenance to various California codes, including to the Revenue and Taxation Code (R&TC).

This analysis is limited to the provisions of the R&TC administered by the department.

## RECOMMENDATION

No position

## SUMMARY OF AMENDMENTS

Not applicable.

## REASON FOR THE BILL

The reason for this bill is to prevent confusion in applying state law by amending terminology for clarification, amending provisions to reflect the current style for drafting legislation, and eliminating obsolete language.

## ANALYSIS

This bill would amend and renumber the heading of Article 25 of the Administration of Franchise and Income Tax Law of the R&TC as "Article 26. Schools Not Prisons Voluntary Tax Contribution Fund" to eliminate duplicated references.

### *Effective/Operative Date*

Assuming enactment by September 30, 2020, this bill would become effective and operative on January 1, 2021.

### *Federal/State Law*

#### Federal Law

Because this bill only makes nonsubstantive technical changes as a matter of maintenance of California's codes, a review of federal income tax law would not be relevant.

#### State Law

As sections of state law are amended, references to those sections in other parts of the law are sometimes not updated to reflect the amendment. In addition, provisions enacted in earlier years may not reflect the current legislative style for drafting legislation.

Incorrect nomenclature, cross-references, unclear terminology, and language that is inconsistent with the current style for drafting legislation can create confusion for taxpayers and the department when applying state law.
