- No analysis required – Not within our scope of responsibility.

SUMMARY

This bill would under the Government Code, modify the requirements for disposition of surplus residential property by a state agency.

ANALYSIS

The July 27, 2020, amendments replaced all of the bill's provisions that would have modified the Low Income Housing Credit with language that would modify provisions of the Government Code related to the disposition of surplus residential property by a state agency.

The Franchise Tax Board's authority does not include the disposition of surplus residential property. Thus, as a result of the amendments, this bill no longer impacts the department's programs and operations or state income tax revenue.
