Excluded Worker Pilot Program (EWPP)

- No analysis required – Not within our scope of responsibility.

SUMMARY

This bill would, under the Labor Code, create the EWPP, which would provide benefits to excluded workers and would be administered by the Economic Development Department. Individuals who are eligible for the program would receive up to 20 weeks of unemployment assistance.

ANALYSIS

The April 18, 2022, amendments removed the provisions of the bill under the Personal Income Tax Law that would have excluded benefits or payments received under the EWPP from gross income.

As a result of the amendments, this bill no longer impacts the department's programs and operations or state income tax revenue.
