CalFresh Program Eligibility

SUMMARY

This bill, under the Welfare and Institutions Code, would require the California Department of Social Services (CDSS) to create a system to automatically enroll qualifying individuals in the CalFresh program.

ANALYSIS

The March 21, 2024, amendments removed provisions that would have required the CDSS to partner with the Franchise Tax Board (FTB) to enroll qualifying individuals 60 years of age and older in the CalFresh Program, and for the FTB to share data with CDSS for purposes of enrolling such individuals. As a result of the amendments, this bill no longer impacts the FTB.
