This bill, under the Administration of Franchise and Income Tax Law, would establish provisions for the California ALS Research Network Voluntary Tax Contribution Fund.

### ANALYSIS

The June 8, 2023, amendments added an annual reporting requirement beginning on or before January 1, 2025, for the Amyotrophic Lateral Sclerosis Association Golden West Chapter to provide the State Department of Public Health (SDPH) specified information on how moneys received pursuant to this article were spent. The SDPH would be required to report that information on its internet website. These amendments also added coauthors and made nonsubstantive renumbering changes.

Except for the above changes, the Franchise Tax Board's combined analysis of the bill as introduced February 7, 2023, as amended March 23, 2023, and the analysis dated April 18, 2023, still apply.
